They mean greater safety in the Home.

Perhaps you have noticed these words on our new "Silent Parlor" match boxes. The splints of all matches contained in these boxes have been soaked in a solution which renders them dead wood, once they have been lighted and blown out hereby reducing the danger of FIRE from glowing matches to the greatest minimum.

"CHARLEY'S AUNT"

A most engaging series of incidents sustained by a love interest that appeals because of its simplicity, a propitious plot which is ingeniously unravelled and thus as artfully unraveled, a number of sharp dramatic climaxes and real thrills, and above all, a sustained, wholesome and refreshing quality of fun, combine to make "CHARLEY'S AUNT" the best force of all time. The piece furnishes many mysterious and melodramatic moments, that are all the more enjoyable because of the substantial quality of its story, in which additional appeal is furnished by the fact that its scenes have been enacted in every country on the globe. Its revival at this particular time is very appropriate and patrons of the Newcastle Opera House on Saturday of next week are assured of some clean fun when it comes here direct from the Academy of Music, Halifax.

Impure Blood In the Spring

The Passing of Winter Leaves People Weak and Depressed

As winter passes away it leaves many people feeling weak, depressed and easily tired. The body lacks that vital force, and energy which pure blood alone can give.

Dr. Williams' Pink Pills for Pale People are an all year round blood builder and nerve tonic, but they are especially useful in the spring. Every dose helps to make new, rich, red blood. Returning strength commences with their use and the vigor and cheerfulness of good health quickly follows.

There is just one cure for lack of blood and that is more blood. Food is the material from which blood is made, but Dr. Williams' Pink Pills double the value of the food we eat. They give strength, tone up the stomach and weak digestion, clear the complexion of pimples, eruptions and boils, and drive out rheumatic poisons.

If you are pale and sallow, if you feel continually tired out, breathless after slight exertion, if you have headaches or backaches, if you are irritable and nervous, if your joints ache, if your appetite fails and food does not nourish nor sleep refresh you, Dr. Williams' Pink Pills will make you well and strong. To build up the blood is the special purpose of Dr. Williams' Pink Pills, and that is why they are the best spring medicine. If you feel the need of a tonic at this season give Dr. Williams' Pink Pills a fair trial and you will rejoice in new health, new strength and new energy. Do not let the trying weather of summer find you weak and ailing. Build yourself up now with Dr. Williams' Pink Pills—the pills that strengthen.

Ask for Dr. Williams' Pink Pills for Pale People and do not be persuaded to take something else. If your dealer does not keep these Pills they will be sent by mail, post paid, at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont. (adv.)
