For any one who wishes to avoid the many attacks which even a simple degree creates, and the pretty chills and sweats, or the more expensive Indian sika which come in such exquisite colorings. These are decorative with no other finish than that of drawing in the four corners and adding a little rosette of the chintz or silk. A very good substitute for eider-down or feathers in stuffing these pillows is excelsior, an inexpensive substance to be found at any upholsterer's.

More Trouble May be Expected. If you do not heed the warnings of nature and at once pay attention to the maintenance of your health, how often we see a person put off from day to day the purchase of a medicine which if procured at the outbreak of a disease would have remedied it almost immediately. Now if Johnston's Tonic Liver Pills had been taken when the first uneasiness made its appearance or if feathers in the bed had been "nipped in the bud," Johnston's Tonic Bitters and Liver Pills are decidedly the best medicine on the market for general tonic and invigorating purposes. Pills 25c per bottle. Bitters 50c and \$1 per bottle, sold by Gode's drugist, Albion block, sole agent.

The output of the factory is about 100 tons. Wm Mooney has gone with Mr Laird as his assistant.

A minister, trying to instruct an old man how to get pardon, said: "Now, suppose I were to go to a shop and buy something for you, and pay for it, and tell you to go and fetch it, need you take any money with you?" "No," said the old man, "It would be paid for."

"Need you make any promise to pay at some future time? He then asked, "No," he replied, "I should have it for nothing." "So," he continued, "is it with forgiveness of sins; the Lord Jesus has paid the full price for it. He has had the cross, the sighs, the tears, the wrath, the pain, the punishment; yea, all that sin deserved! He bore it all! He paid the whole! Yes, bought forgiveness with his precious blood, and now he gives it a gift to all who bring their sins to him."

Said the old man, as his eyes filled with tears: "I see it now; it is pardon for nothing! pardon for nothing! Christ has paid for it and he will give it me!"—[Rev. Elton Foster.]

There are many ways in which it would be well for us all to carry our childhood with us, even into old age, if it were possible, in its truthfulness and open-heartedness, and will improve not only to love, but to show that we love, as well. Why, that alone would cure many a heartache of today.
