THE BEST

and nothing but the best goes in the garment made at Maunder's. Our assistant cutter and foreman tailor have just arrived from New York, where they have been studying the very latest in Cut and Style, and how it is done.

Remember, we have the largest selection of up-to-date tailoring goods in the city. Come right along and have the "Maunder make." Certainly some style.

Ladies and Gentlemen!

PHILLIPS was RIGHT when he said, "With eyes and books the knowledge of the world is at your command."
If your sight is failing, consult us at once.
Properly fitted glasses overcome that trouble quickly—and at small cost.
Can you afford to miss the good books, magazines, etc., on account of not having a pair of glasses?
It is false economy to deprive yourself of that pleasure when it is so easily procured.
Consult us to-day about your eyes.
We manufacture every kind of an eyeglass made.
