Within the next few weeks you are going to buy a new Spring Suit—that's certain. Perhaps to-day, perhaps to-morrow, perhaps in a month—but you're going to buy it.

We think you ought to know why it's wise to "do it now." The best reason is that our stocks are complete—you're bound to get more style satisfaction out of a broad choice than a narrow one—you get the broad choice now—you may not get it later.

This is why we invite your inspection of the stylish patterns now on hand.
