Novel and Interesting.

The Rev. Canon A. P. Shatford of the Anglican Communion, recently preached in St. James' Methodist Church, Montreal, to a crowded congregation, the subject of his discourse being "The Multiform, or the Manifold.

A monument to the memory of Sir Wilfred Laurier was unveiled recently at Iberville, P.Q., by Lady Laurier, the ceremony taking place before a large number of people. The monument is the first of several to be erected to the mory of the deceased statesman.

In Algiers no fewer than three Sabbaths are observed during the veeks - on Friday that of the Mohammedans, on Saturday that of the Jews and on Sunday that of the Christian.

No more bare necks is the decree of many Paris dressmakers, according to their exhibitions of winter fashions. Wing-like cloaks is another

An open winter is the forecast of new Ontario Indians. They base their belief on the fact that the beaver has not yet begun to prepare his winter quarters. Trappers, however, do not share the views of the Indians. They say there will be heavy snow falls this coming winter, basing their belief in the fact that there are more hornet nests than usual in that sector of Canada. Anyway, we are likely to have the "genuine article" here in Nfid.—at any time during the next

ure. What a pleasure it is not to have any jewels to be stolen!
