Economy

is rarely effected by buying the cheapest article. OUR COKE is SUPERIOR to imported Coke because it is made from HIGH GRADE PENNSYLVANIA COAL, producing COKE of the highest standard, practically free from sulphur. Coke made from low-grade high-sulphur coals is necessarily inferior to our coke. One of our customers has recently used imported coke, with the result that the furnace linings were damaged by clinkering, and our OUR COKE IS AGAIN BEING USED with the usual good results. Before buying coke pay us a call, and let us demonstrate the superiority of OUR COKE for domestic and industrial use.
