half-past two o'clock. A full attendance
of the members is requested.

The village of Southampton has sub-
mitted a by-law to grant to the Well-
ington Grey and Bruce Railway Co., \$1,300.
This grant is to get the station located at
a particular place.

The *Bruce Herald* says that Messrs.
Hugh, Thomas, James and Andrew Wil-
son, brothers, and farmers on the Durham
Road, in the vicinity of Walkerton,
threshed as the result of this year's pro-
duct, 2,800 bushels of grain.

POST OFFICE ROBBERY.—The Demo-
cratic post office was robbed on Tues-
day night, and a money letter, containing
\$600 taken. The thief proved to be a
young man residing in Demoreville, who
was arrested and all the money re-
covered.

ACCIDENT ON THE CHICORA.—A tele-
gram from Sarnia mentions that the
steamer "Chicora" struck on a rock in
Bear Lake and sunk, but was afterward
raised and taken into port at Sault Ste.
Marie. Her cargo is said to be badly
damaged.

STANLEY, the discoverer of Livingstons,
arrived in New York by the *Cuba* on
Wednesday, and was escorted up the
bay by delegations from the Geographical
Society and the *Herald* Club.

The polling on the by-law granting a
bonus of \$70,000 to the Ontario and
Quebec Railway took place on Wednesday
in the town of Perth, and resulted in the
By-law being carried by a large majority.
The vote stood, yes 168, nays 28.

It is now alleged that the operators of
the recent grain corner in Chicago com-
mitted a gross fraud by contriving, with
the aid of false bottoms to their bins, to
show an apparent bulk of grain largely in
excess of that really in store.

On Wednesday night a fire broke out,
and entirely consumed, the Newmarket
brewery. By the exertions of the fire-
men, and the circumstance of a favour-
able wind prevailing, the fire was confined
to the building in which it broke out.

ST. PAUL'S Church, Yorkville, was on
Wednesday morning the scene of a fash-
ionable wedding, the high-contrasting
parties being Mr. Thomas Becket, of
Quebec, and Miss Naomi, second daugh-
ter of the Hon. D. L. Macpherson, of To-
ronto. There was a great flutter among
the fashionable on the occasion.

TORONTO.—The first fall of snow
in Kingston has drawn forth the usual
notice about the nuisance of boys coat-
ing down all sidewalks having sufficient
inclined planes, and the police magistrate
has issued his mandate against the prac-
tice. (We hope to see the same edict
issued in Guelph against the same dan-
gerous practice.)

Y. M. C. A.—The regular weekly
meeting of this Association will be held
in their rooms this evening at the usual
hour. As business of some importance
is to be brought before the meeting it
would be desirable to have a full attend-
ance of the members. An essay will be
read by Mr. Wm. Anderson, subject:
"self-culture." We would remind the
members that the fees for the present
half year are now due, and it is desir-
able that they should be handed in as
soon as possible.

CHANGE OF GAUGE ON THE G. T. R.—
This Company after changing the gauge
between Buffalo and Sarnia, was enabled
on Monday to run its express trains from
Sarnia direct to New York without delay,
as the ferry steamers at Fort Erie and
Sarnia are quite sufficient for the car-
riage of a whole train at once, the
Sarnia steamer being large enough to
convey twenty-one loaded freight cars at
one trip. In order to accommodate the
rolling stock to both gauges, machinery
has been provided at Stratford whereby
the through cars are lifted bodily from
the narrow gauge trucks and transferred
to broad gauge trucks, and vice versa, so
that the break in the gauge at that point
will be attended with as little delay and
inconvenience to passengers as possible.

FIRE IN BRANTFORD.—On Wednesday
morning a fire broke out in the Glasgou
tea warehouse, on the market square,
west side, owned by Mr. John E. Wier.
When the alarm was sounded, and it be-
came known that the fire was in the
heart of that block, hundreds of the
citizens hurried there, for it is well known
that the locality abounds in groceries,
wines, liquors and drug stores, all being,
of course, of very combustible material.
Twenty minutes after the hose was turned
on, the fire upon the ground floor was
quenched, and soon after, the fire in the
second story, and in the roof of the drug
store adjoining was also quenched. This
is the severest test the Waterworks system
of water works has yet had, and the re-
sult was most successful. In Brantford,
since its establishment two years ago, the
entire losses by fire have not exceeded
\$2,500.

Two freight trains collided near Stony
Creek on Wednesday, in consequence of
the snow storm. No one was hurt. Four
oil cars caught fire and delayed the clear-
ing of the track.

Burned.

Another Fire in Boston.
Marshall McMahon and the
Presidency in France.

**London Policemen Still on
Strike.**
Great Grain Frauds.

New York, Nov. 20.—Perrin & Haine's
saw-mill, and Jarvis' tobacco warehouse,
Jersey City, containing about 5,000
hogsheads of tobacco, were burned to-
night. The loss on tobacco was about
\$1,200,000.

Boston, Nov. 20.—Rand & Avery's es-
tablishment which was destroyed by fire
to-night, employed some three hundred
hands, fifty of whom were girls. They
estimate their loss at \$250,000.

Paris, Nov. 20, (Evening).—The com-
mittee appointed to draw up the address
in reply to the message of Thiers on the
opening of the Assembly, the appoint-
ment of which was moved by Deputy Ken-
dall, has been instructed by the Assembly
to inquire into the *modus vivendi* of
President Thiers, who will probably at-
tend the meeting of the Committee to-
morrow.

All the different parties in the Assem-
bly are holding private consultations.
President Thiers will have another con-
ference to-morrow with a delegation from
the factions of the Left.

Paris, Nov. 20, (Midnight).—Marshall
McMahon refuses the Presidency in case
M. Thiers resigns.

London, Nov. 21, (6 a. m.).—The
trouble with the Metropolitan Police con-
tinues. Seventy Bow Street constables,
and thirty-nine Kensington officers have
been dismissed from the service.

Boston, Nov. 21.—Among the periodicals
destroyed by the Boston fire was the
December number of "Old and New,"
which was nearly ready for delivery; one
number of "Little's Living Age," which
is entirely destroyed, and between sixty
and seventy thousand copies of "Well
Spring," which is published semi-
monthly.

The publishers of these periodicals had
large quantities of paper in stock in the
establishments, which was lost; as did
J. R. Osgood & Co., Lee & Sheppard,
Simpson & Davenport—publishers of the
"New England Register"—Gill Publish-
ing Company, of Norwich, Conn.; Iverson,
Phinney, Blackman & Co., of New York,
and the University Publishing Company,
of New York, whose loss is in school text
books.

New York, Nov. 21.—The *Times* states
that the President of the Atlantic and
Great Western Railway Company recent-
ly went to Meadville, Pa., seized the
books of the Manager of the road, and
found a regular system of stealing from
the receipts of the road had been prac-
ticed for a long time by the manager, M.
H. Sweetzer. The latter was confronted
with the proofs of his guilt, and resigned,
besides paying over \$75,000.

Rome, Nov. 20.—The Prefect of Police
of this city has issued an order forbidding
the assembling of a meeting advertised to
be held here on the 24th inst., in fur-
therance of the principle of universal
suffrage, because he has reason to be-
lieve that the meeting is really called in
the interest of opposition to the present
form of Government at Rome.

It is reported that a second ecclesi-
astical province of the Roman Catholic
Church is to be established in England,
with Liverpool as the Metropolitan See.

Chicago, Nov. 21.—A sensation has
been created among the grain men by the
publication of the fact that when, in
August last, in order to test the alleged
discrepancy between the quantity of grain
actually in store in the elevators in this
city, and the receipts in circulation, a
measurement of the grain in store was
ordered, the proprietors of one of the
elevators had false bottoms put in a
number of their bins only six inches from
the top, and covered them with grain, and
they were then measured as full, making
a difference of many thousand bushels.

President Thiers has contributed the
sum of 1,000 francs for the relief of the
sufferers at Boston.

well insured.

BRUTAL ABORTION CASE IN ROCHESTER.

A Canadian Woman the Victim.

(From the St. Catharines Times.)
On Saturday evening last, Detective
Rodgers, of the City of Rochester, arriv-
ed in Clifton in search of the body of
Esther A. Cole, who died in Rochester.
The circumstances of the death and re-
moval aroused suspicion that she had
come to an untimely end. These facts
were given to Z. B. Lewis, Esq., Coroner,
who immediately summoned a jury and
had the body exhumed, which had been
buried in Drummondville cemetery on
Thursday last. The investigation com-
menced at W. F. Ellis' Hotel in Drum-
mondville at half-past 2 o'clock p. m.
Detective Rodgers, called as a witness,
stated that a strong suspicion existed
that deceased had come to her death by
foul means in the city of Rochester, and
produced letters from the authorities
there to the authorities here to assist in
the investigation. Dr. Mowburn, assist-
ed by Dr. McGarry, were ordered by the
Coroner to hold a post mortem examina-
tion. George Simpson testified that he
was brother-in-law to the deceased, and
assisted in the removal of the body from
Rochester, that he found the deceased at
No. 6, Spencer street, in charge of Mrs.
More, (formerly of St. Catharines), that
he had learned from her that deceased
had died from congestion of the lungs.
The corpse was taken from the house be-
tween 10 and 11 p. m. for the station,
and was shipped for Niagara Falls at
3.30 p. m. Hiram Bender testified that
he received a telegram from deceased, on
Friday of the week previous to her death,
Esther A. Cole, came to her death by an
abortion, and that she had had a bar-
ber, he did and found her unable to proceed
to Gloverville, and advised her to remain
in Rochester until she was better. He
accompanied her to a house on Spencer
street, No. 6, and left her next day, telling
her if she did not get better she must
call on Dr. Mowburn that day, which she
did and found her unable to proceed to
Gloverville, and advised her to remain
