Orange Lodge.
At the annual meeting of the Listowel Orange Lodge No. 617, held on Friday evening last, the following officers were elected for next term: A. M. Morrow, W. M.; A. F. Lester, D. M.; Rev. H. Cooper, Chaplain; Geo. Zilliox, Treasurer; T. H. Heathers, Secretary; T. Woods, Lecturer; Committee: A. S. Davitt, J. Rogers, Geo. McKeever, Thos. Readley and Jas. Brown, Scribes.

A source, under the auspices of the Cana-
ria Methodist Church, will be held in the church at Hunt's appointment, about one and a half miles east of the town, on the evening of Monday, the 23rd inst. The Rev. J. G. Scott, Rev. H. Norris, and others, will deliver suitable addresses on the occasion. Good music will also be provided. A general invitation to the public is given.

Vagrancy.
A woman arrived in town last week, in very destitute circumstances and appealed to the Mayor for assistance. She claimed to have been married at Mount Forest about a year ago, but about four months since her husband had left her, without leaving her any means of support. On account of her condition it was proposed to send her to the lying-in-hospital, Toronto, but when it was ascertained that the corporation would have to pay all expenses incurred, her case was considered as coming under the vagrant act, and she was accordingly sent to Stratford for a period of sixty days.

Hamilton Corbett.
Mr. Hamilton Corbett, the celebrated Scottish vocalist, will give a concert in Osborne's hall, on the evening of the 26th inst. Mr. Corbett's merits, as a master in the art of rendering Scottish songs are beginning to be appreciated, and crowded houses now greet him wherever he goes. It is but a short time since he paid us a visit here, but as he was comparatively unknown, there were but few who had the pleasure of hearing him. He was invited to return and give another concert in Listowel, and we are glad to know that those who have been anxiously awaiting this event being realized, will not be disappointed. Don't fail to hear Mr. Corbett, in Osborne's hall, on the evening of Thursday, the 26th inst. See Posters.

Fire Hall.
The new Fire Hall is about completed and the heating apparatus placed in the building. The cells in the lock-up are strongly built, and will be heated from the furnace in the engine room.

Juvenile Concert.
A juvenile concert will be held in Osborne's Hall, on the evening of the 30th inst., under the management of Mr. C. H. Chesley, who has a class of between three and four hundred in training for the occasion. Mr. Chesley's efforts to improve the juvenile singing in town cannot be too highly appreciated, and a large turnout to hear his concert may be reasonably expected.

Schools.
The public schools closed to-day for the holidays. On Tuesday and Wednesday the examination of pupils for entrance into the High School was conducted by the Rev. J. W. Bell. There were in all about fifty applications. The names of the successful candidates will be given next week if the lists are ready. The intermediate examination in the High School is going on this week, and will be brought to a close this evening.

Foresters.
On the evening of Friday last, a Court of the Independent Order of Foresters was organized in town. Dr. Millman, D.D.H., C.R., assisted by Mr. F. A. Meyer, of Seaford, conducted the initiatory ceremonies, and installed the officers for the current term. The Court has opened with a membership of over forty, and there is every likelihood of the number being largely increased. The Court will meet every Thursday evening, and is to be known as Royal Oak, No. 26. The following are the names and rank of the officers elected:

Alexander McDonald, C.R.
E. C. Clarke, V.C.R.
Fred. Allister, R. Sec.
J. W. Devlin, F. Sec.
J. W. Scott, Treas.
J. J. Hamilton, S. W.
John Rogers, S. R.
H. H. Shultz, S. R.
G. Dowdell, J. B.
Dr. Dillabough & Dingman, Physicians
Rev. H. Cooper, Chaplain.

Orange Young Britons.
On Friday evening last, a lodge of Orange Young Britons was organized in town. The initiatory ceremonies, and the installation of officers were performed by Mr. S. Henderson, Master of the Mitchell Lodge of Orange Young Britons, assisted by Mr. Thos. Greery, Deputy-Master. The lodge was organized with some fifteen or twenty members, and will meet the first Wednesday in each month. At the close of the proceedings, an adjournment was made to the Royal Hotel, where an excellent supper was prepared. The following are the names of the officers elected for the current term:—W. A. Robinson, W. M.; Martin Hepler, D. M.; John Watson, Secretary; John A. Watson, Treasurer; William Irwin, Chaplain; William Baker, Master of Ceremonies; Maxwell Park, 1st committee man; James Watson, 2nd committee man; John Moore, third committee man; George Williams, inside guard.

Osborne's Hall.
The grand opening of Osborne's Hall took place on Friday last week. On the first night, as the curtain rose for the entertainment to begin, the Hall was filled and the old play "The Van Winkle," with variations, was given by Mr. Carner and troupe. The interest in the performance was well kept up, and the audience appeared to be well pleased with the efforts made to please and instruct them. On the second night, the comedies entitled "French Divorce," and "Rough Diamond," were played, and the proceedings closed with a masterpiece of fun, called "Dodging for a Wife." On Saturday evening, with an entire change of programme, an entertainment for the benefit of Mr. Carner, was given. The Listowel Brass Band was in attendance each evening, and contributed, with choice selections, to render to the enjoyment of the occasion.

Address and Presentation.
At the close of the half-yearly High School examination, held on Friday last, the pupils presented Mr. Metzler, the Assistant Teacher, with the following address, accompanied with an ink-stand and time-piece combined and a gold pen:

Mr. G. F. Metzler.

DEAR TEACHER.—As you are about to leave us, we, your pupils, desire to express our respect and appreciation of the earnest efforts you have put forth to promote our welfare, and would ask you to accept this stand as a small token of our esteem towards you. Wishing you success and happiness in whatever position in the providence of God you may be placed. We remain, your affectionate pupils.

Mr. Metzler made a suitable reply, after which Rev. H. Cooper, Rev. J. W. Bell, and Mr. J. Crozier, addressed the pupils, who were then dismissed for the Christmas holidays.

—Call at Barnes' and see his stock of book marks, Christmas and New Year's cards, cheap for cash.

—At Michesen's cheap book store, on Main street, you can purchase cheap and handsome bibles, church services and hymn books.

—Brislin reduces the prices to schools, for candies, nuts, toys, and fancy-goods.

—All kinds of canned goods and all kinds of jellies, at Barnes' fruit store.

Runaway.
A span of horses on Tuesday ran away from the Stratford and Port Dover Railway station, and taking down Mill street at full speed, crossed Main street and brought to the ground the only solitary lamp post which the town possesses. As it was supposed to have been erected by the town council in commemoration of their past legislation on the market site question, it is to be hoped it will soon be replaced.

Harper's Magazine.
Harper for January, 1879, is to hand. This number opens with an article entitled "England's Great Sea-ports," by George Dick, Liverpool, being the illustration on front page. A series of beautifully-executed cuts of river and other scenes illustrate the article, which in these days of coming across the Atlantic, is well-timed and will well repay perusal. Then follows a Natural History chapter on Ants, with cuts. Rambles in the South of France, deals in the antique and picturesque. The "Royal Society's" meeting at Bristol is made the subject of a valuable illustrated report, which Canadians as well as Americans, would do well to read and gather useful hints from. Readers of fiction have now the wind up McLeod of Dare, which will well sustain the reputation of the writer as a master-artist in word-painting of west Highland scenery and character. On the whole, there is no falling off in "Harper." The wood-cuts alone are worth all the cost of the number, and in reading matter there is as much as the average reader can find time to make good use of till next one comes along. Harper & Brothers, publishers, New York.

Christmas Tree and Literary Entertainment.
A very pleasing entertainment, in connection with the Methodist Episcopal Sabbath School, was held in the basement of the M. E. church, on the evening of Thursday, 13th inst. The room was tastefully fitted up, a large Christmas tree, laden with presents for the teachers and children, occupying a prominent position. Rev. H. Norris, pastor of the church, occupied the chair. The literary part of the programme consisted of speeches, readings, &c., interspersed with music from the choir, Miss Morrison presiding at the organ. The distribution of presents afterwards took place, in the course of which the retiring Superintendent, Mr. Metzler, who, we understand, has since removed from Listowel, was made the recipient of a handsome writing desk, as a token of the respect and esteem in which he was held by the Sabbath School children. Mr. Metzler made a suitable reply. A collection was taken up in aid of the Sabbath School fund, and a considerable sum realized.

Trustee Meeting.
A special meeting of the Public School Board was held on Tuesday evening, 17th inst. Members all present. Communication received from Wm. Alexander, Public School Inspector, recommending the appointment of Miss Annie Marie Martin, to teach the seventh department of Listowel public school. Moved by A. McIlwraith, seconded by R. Martin, that Miss Martin, as recommended by the Inspector, be appointed to the seventh department, at a salary of \$275. Yeas—Messrs McIlwraith, Martin and Draper. Says—Messrs. Bradley, Townner and Fennell. Moved in amendment by W. Bradley, seconded by Geo. Townner, that we engage Miss Martin, at a salary of \$250 per annum. Yeas—Messrs. Townner, Bradley and Fennell. Nays—Martin, McIlwraith and Draper. The chairman declared the motion carried. Moved by W. Bradley, seconded by Geo. Townner, that the account of Jas. Leonard for light wood, amounting to \$1, be paid. Carried. Moved by R. Martin, seconded by T. G. Connell, that tenders be received up to the 7th of January, 1879, for 75 cords of four feet beech and maple wood (to be made of body timber), to be delivered at the Public School, Listowel, on or before the first day of March, 1879.—Carried. Moved by A. McIlwraith, seconded by G. Townner, that the account of Ferguson & Elliott, amounting to \$4.25, and Hawkins & Kells, amounting to \$5, be ordered to be paid.—Carried. Board then adjourned.

Concert.
One of the best entertainments ever given to a Listowel audience was a concert held on Wednesday night, in Osborne's new hall, under the auspices of Listowel Lodge No. 160, I.O.O.F. The hall was comfortably filled, both on main floor and gallery; in short, there was a general tarant of the townspeople to hear the renowned Tandy Brothers, who were to honor the occasion with their presence. Nor were the audience disappointed in their expectations, for these talented vocalists more than sustained their Provincial reputation, and the encore with which they were greeted at the conclusion of each piece, showed the hearty appreciation of their efforts. Dr. Phil occupied the chair. At 8 o'clock, as the curtain rose, the programme began with a chorus by the Glee Club, under the leadership of Professor Kay. This musical treat was rather a surprise to the audience, as the Club had only been in training a few weeks, and there were not a few who, as the concert was about to begin, were wondering when and by whom the Listowel Glee Club had been discovered. The "Royal Navy" was rendered in splendid style by twenty-five voices, in which the parts were well balanced and harmoniously blended, the Professor sustained the instrumental accompaniment. This magnificent opening chorus was followed by the Tandy Brothers in a duet entitled, "I Pescatori," to which ample justice was done. "The Ship on Fire," by Mr. Wm. Tandy, drew forth un-

bounded applause from the audience; but the second duet, "Albion, on thy Fertile Plains," by the brothers, took the house by storm, and in response to a second call, gave one of the best of British sea songs. The Tandy's entertained the company with a number of other songs and duets, all of which were well received. Professor Kay contributed to the musical part of the programme, and in response to an encore, gave a humorous selection. Miss Zimmerman, as usual, contributed largely to the success of the entertainment, with a few well-executed solos, amongst which were "Bonnie Sweet Bessie," and "Under the Hawthorn Tree." Miss Zimmerman's musical renderings are always well received and highly appreciated by a Listowel audience. Mrs. Fred. Scarf, of Stratford, played the piano accompaniments, and gave two solos, which were received with great applause. The concert was brought to a close by the company singing "God Save the Queen."

Town Council.
A special meeting of the Town Council was held on Monday evening, 16th inst. Members present—J. W. Scott, Mayor; T. E. Hay, Reeve; and Councillors Binning, Austin, Townner, Freeman, Hepler, Davitt, Dr. Dillabough, Mackenzie, Minnie. The Mayor reported that there was a balance of \$2,458 of taxes yet unpaid. A number of accounts were referred to the Finance Committee. The following accounts were recommended to be paid by the Finance Committee: John Binning and A. Austin, expenses to Hamilton in reference to fire hall, \$10.80; W. G. Hay, horse hire, \$1.25; Wright & Welsh Bros., for lumber, \$111.09; Wm. M. Clinie, for lumber, \$9.26; Goddard & Green, \$3.65; W. Bradley, indigent relief, \$1.95. Moved by Dr. Dillabough, seconded by A. S. Davitt, that the report of the Finance Committee be received and accounts paid in accordance.—Carried. Moved by Thos. E. Hay, seconded by A. D. Freeman, that the Mayor be instructed to purchase, at once, one car-load of coal, suitable for the furnace.—Carried. Tenders for the collection of taxes in arrears, were read: Jacob Large, \$35; Geo. Sutherland, \$20; L. Winter, \$24; R. Woods, also, offered his services for the collection of taxes. Moved by J. Binning, seconded by George Townner, that Robert Woods be appointed Collector, at a salary of \$15.—Carried. Moved by John Binning, seconded by J. A. Mackenzie, that the account of D. D. Campbell, amounting to \$2.11, be paid.—Carried. Abner Hardman, W. Flaherty, J. Israel, T. Leslie and James Davidson complained of being wrongfully assessed for dogs. A communication was read from O. T. Phillips, complaining of being assessed too high. G. A. Walton also complained of being wrongfully assessed for personal property. The Mayor intimated that a meeting of the Council would shortly be held, for the purpose of rectifying errors in Assessment and Collector's Rolls. A petition to the Legislative Assembly, sent Stratford and Huron Railway, was read. Mr. Austin protested against the Council signing the petition, on the ground of the Company not having fulfilled their pledges to the Town of Listowel. The Mayor made some explanations, stating that he knew that the Directors had tried every means to carry the bonuses on the Clifford route, and, having failed, they had no other alternative but to take the Palmerston route. The Board did not intend to run the road to the east of the town, after having paid Messrs. Livingston for the right of way. He was in favor of signing the petition. Mr. Townner thought there would be no harm in signing the petition. Mr. T. E. Hay said that he was in favor of signing the petition; but he thought that the Company should be required to give a guarantee to the town, to run the road through the west end of the town. The matter was left over till next meeting. By-law No. 36, appointing Robert Woods collector of taxes, was read three several times and passed, on motion of A. S. Davitt, seconded by Dr. Dillabough.

Mr. T. E. Hay, Chairman of the Road and Bridge Committee, made some explanations in regard to certain rumors that have lately been circulated against him, in reference to making use of his position as chairman to further his personal interests. He denied the truth of such allegations, and challenged proof in support of them. He said he had never asked any man who worked for the corporation to take goods out of the store of Clinie, Hay & Co. He asserted that the men had been hired by Messrs. Hampton, Dixon and Gee, and these gentlemen had certified to the work done. All he had certified to was about \$250 out of nearly \$1,500, and which had been paid to Messrs. Hampton, Dixon and Gee. These gentlemen could say whether he had ever asked them to take goods in payment or not. It had also been charged that he had an interest in gravelling contracts to the west of the town, but neither he nor any other member of the firm of Clinie, Hay & Co. had such interest. The firm were asked by the contracting parties to do the gravelling for them, but the firm had no interest in the contracts. As to the charge that he owned a team which was employed by the corporation, he asserted that he did not own the team, but that the firm had a claim on the team until such time as it was paid for; but that was all the interest he had in the team. Mr. Woods had not done within forty dollars as much work this year as he did last year, under Mr. Davitt.

The following resolution was then put to the Council, and carried without a dissenting voice:

Moved by A. Austin, seconded by Jacob Hepler, that having heard the explanations of the Reeve in regard to charges brought against him of using his position as Chairman of the Road and Bridge Committee, to his own personal profit, the Council fully believes that said charges are false, and without any foundation in fact, and that the Reeve be hereby tendered the thanks of this Council for his services to the town, free of charge.

Mr. Hay explained that he was unable, at the present time, to hand in a detailed statement of moneys spent in improvements this year. He would do so at next meeting, if possible. Council then adjourned.

CHRISTMAS CHEER.

In order to supply the many wants of the public during the Christmas season, our merchants have all laid in a choice stock of goods, and will, during the incubation of the National Policy, sell at a small advance on cost. The majority of the goods are particularly suitable for Christmas presents, and some of our most enterprising business men have furnished us with a list of articles and prices, we take this opportunity of giving the public the benefit of the information.

Beginning on Wallace street, Mr. J. W. Brislin, as usual, comes to the front, with a large and splendid stock of Christmas presents, in endless variety. Every little boy should call and see Brislin's rocking horses, sleighs, picture books, jumping jacks, pistols and pocket knives, and not forgetting the list of dolls, the most prettiest sets of tin cups and saucers, and beautiful cards, and shell and wooden boxes without number. For his regular juvenile customers he has ordered five cases of tin and wooden toys; ten cases of German and French fancy dolls. For smokers, he has an immense variety of pipes; and for every body he has stocks of purses, jewelry, albums, and books of all kinds. The only useful and reliable almanac is the Canadian which can be had at Brislin's bookstore.

Brislin says when you want the greatest amount of money, ask for his cheap store on Wallace street, where you will always find him ready for business, and in the best of humor.

On Main street east, adjoining the Bank of Hamilton, and in the shop of Mr. J. C. Gundry, can also be seen a large and beautiful stock of Christmas and New Year's presents, electro-plated cruet stands, card receivers, cake baskets, toilet sets, butter coolers, napkin rings, vases and toys. Also a large stock of jewelry, etc. Call and see Mr. Gundry's stock without fail.

In the grocery line, Mr. Donald Brown comes right down to business, and asks us to say for him, that during the Christmas holidays he will sell 22 lbs of new curries for \$1, and three lbs of old ones for the same money. He will give away a whole box of the best Valencia raisins, for \$1.50 per box, and 10 pounds of good sugar for \$1. These desirable granulated sugar can have 10 lbs for the hundred cents, and confectionery of all kinds can be had by the bushel.

On Main street, some of the greatest curiosities imaginable can be seen at Irving's new tobacco store, and a simple glance at the many devices for bringing the art of smoking to perfection will be sufficient to convince the most sceptical that man was once in a state of ignorance, but latterly he has found out many inventions. He is prepared to supply the tobacco using public with cigars, meerschaum pipes, briar root pipes, smoking tobacco, fine cut chewing tobacco, fine cut smoking tobacco, cigarettes, cigar holders and cigar cases.

Adjoining the Grand Central Hotel, W. McMillan has opened at his grocery and liquor store, one of the choicest stocks of wines and liquors in town, and the groceries specially purchased for Christmas use are of the best description. Call and be convinced.

Bell and Davidson, in addition to supplying the town with the staff of life, have received a consignment of confectionery, toys, etc., for the Christmas season. But they have also made preparations for supplying wedding cakes and other social parties, with all kinds of cakes, buns, etc., in any style that may be desired. Bell & Davidson's goods are sold at lowest prices.

Our enterprising townsman, Jos. Barnes, has ordered a special car load, more or less, of confectionery for his many friends, and is determined to give them all a show on Christmas eve. Look out for his Christmas tree laden with presents and lighted up with Chinese lanterns. Oranges, lemons, figs, raisins, cocoa, almond and hazel nuts, and fresh oysters in great variety.

REFORM MEETING.—A meeting of the Reformers of the township of Wallace, will be held at Hunt's Hotel, Gowans town, on the afternoon of the 24th inst., at two o'clock p. m. As many Reformers as possible are urgently requested to attend, as business of importance is to be brought before the meeting.

From our Local Correspondent.
ACCIDENT.—Mr. H. Cunningham, who resides in the vicinity of Molesworth, met with a serious accident on Saturday last. He was helping a neighbor to kill pigs, and while in the pursuit of a refractory pig he fell and broke two of his ribs. He will be out of work for a week or two.

ALEXANDER MACKENZIE.—At a late christening in the neighborhood, Mr. Geo. Brown had a son named in honor of the late Premier of the Dominion. While perhaps there is not much in the name, we would like to know of a more thoroughly Reformer one than that of Alexander Mackenzie Brown. We only hope the young namesake may follow the example set by the great Reformer.

NEWBY.
From our Local Correspondent.
SHOOTING MATCH.—Arrangements have been made to have a shooting match at J. Graham's hotel, Eliza Centre, on Tuesday the 24th inst. There will be 150 geese and turkeys to be shot for, with either rifle or shot guns, according to choice.

MUNICIPAL.—Municipal matters are beginning to be stirred up, and a lively time is expected. It seems as if the old council will not be returned without a contest. The names of quite a number of new candidates are spoken of, but as yet no definite announcement has been made. It is currently reported that Mr. Cleland will be urged upon to accept the nomination or, whether he will accept the nomination or not, remains to be seen. As far as I am aware, there is a general desire that he should do so.

BRITON.
WOOD.—A large quantity of wood has lately been exported for sale by way of the Stratford and Port Dover Railway, from Briton's Corners, at paying prices. About \$2.50 per cord was the price realized.

SHOOTING MATCH.—A shooting match took place on the 18th inst., between a number of the young men of the neighborhood, and was a very successful affair.
