Benwell—Boultbee.

St. James'Church was crowded yesterday morning with a number of the leading citizens of Vancouver, who assembled there to witness the marriage of Mr. J. O. Benwell, second son of Mr. Charles Benwell, of Blackheath, Kent, Eng., to Miss Helen E. Boultbee, youngest daughter of the late Mr. Washington Boultbee, of Thornvale, Ancaster, Ont. The ceremony was performed by the Rev. H. G. F. Clinton. The bride was attired in an electric blue dress with beaver trimmers, and hat to match, and looked very pretty in this becoming costume. Her brother, Mr. John Boultbee, gave her away, while Miss Alexander, who was dressed in grey tweed, attended her as bridesmaid. The bridegroom was supported by Mr. L. Doucet. After the ceremony a reception was given at the residence of Mr. John Boultbee, on Howe street, which was attended by a great many of their friends. The newly married couple were in receipt of a large number of presents from their many triends and acquaintances. They left on the Islander yesterday for Victoria, from where they will preced to San Francisco, which is to be their future home.—[Vancouver News-Advertiser. 492 Spadina avenue. Toronto, Oct. 13, 1891.
Gentlemen.—I had that dreadful disease, la
grippe, last March which left my system in a
weak condition and my head distracted. If I
moved my head or stooped it produced pain
and an indescribable feeling. Great debility
followed, palphtation and approaching heart
failure, nervous prostration and general loss of
strength and a feeling of internal pressure. I
consulted Dr. Rear, who prescribed the Histogenetic Medicines of Dr. J. Eugene Jordan for
me. In two weeks I was some better. I gained
in strength. The medicines very soon commoned to build me up. I continued to gain,
and after taking only one complete course all
my symptoms were better. That is three
months ago and nota trace of grippe is left. I
feel well. The effect is abiding. The medicines are good to take and leave no ill affect.
I if hope all needing treatment may try this
beautiful system. It is far better than taking
poisonous drugs. Yours gratefully.
