e north of the Lunde River, lies almost i ctly to the east of Buelagua, the site of ing Lobenguela's kraal.

Loxnox, July 29.—The first reports reved from Zanzibar regarding the trouble Mashonaland were evidently incorrect stating that there was a rising against se whites. A dispatch received this even is from Sir Henry Brougham Loch, Gov. ernor of Cape Colony, says that the trouble is entirely between the natives, and that Europeans are in no danger.

of the battleship Victoria met again today. Capt. Johnstone, of the Camperdown, testifed that he felt that he was obeying orders without knowing clearly how Vice-Admiral Tryon intended the evo-

powers of Irish Legislature and executive with regard to land and transitory provisions. Clause 37, concerning the ory provisions. Clause 37, concerning the continuance of existing laws, courts, officers, etc., was carried without division. Clause 38, concerning the appointed day for the purposes of the bill, was carried by a vote of 295 to 261. Clause 39, concerning the significance of terms used in the bill, was lost. Clause 40, concerning the people. All three gunboats have steam up and cleared for action. The men continually beat to quarters and they train the guns on any Siamese gunboat that happens to pass them on its way up or down the river day or night, all through in accordance with an agreement with M. Pavie, French Minister resident, the Siamese Government endeavors to allay suspicion by warning in advance the French commander of the passage of every Siamese man-of-war. Siam is doing her best to convince M. Pavie that her intentions are amicable, but freedom of action in the negotiations is much restricted by pressure exercised ostentatiously by French war vessels.

Assizes Hon. Sir Peter O'Brien, Lord Chief Justice of Ireland, complained of the manner in which the criminal statistics the manner in which the criminal statistics of Ireland were compiled, objecting especially to the fact that doubtint cases were not included in the statistics. The complaint came up in the House of Commons to-day on a question in regard to it asked by Mr. Bodkin, anti-Parnellite.

Before the Government had a chance to reply to Mr. Bodkin's question, Mr. Ederly of Mr. (Com.) interposed a supple-

asked by MI. Boarnment had a chance to Before the Government had a chance to reply to Mr. Bodkin's question, Mr. Edward Carson (Con.) interposed a supplementary question intended to discredit the Irish Executive.

The Right Hon. John Morley, Chief Secretary for Ireland, in replying to the questions, said that he was not aware that any judge had previously commented on the system employed in compiling the Irish criminal statistics. An English judge, he added, would not have seized such an occasion to criticise the Government, specially compaged to it politically compaged to it polit

ion to criticise the Government, especiallif he was personally opposed to it politically A wordy passage followed, and Mr. Car-A wordy passage followed, and air. Carson accused Mr. Morley of making a cowardly attack on the Irish judges.

This created a hubbub, Mr. Carson being finelly called upon by the Speaker to withdraw his objectionable remark, which he

did.

The Siamese Situation.

Tien-Tsin, July 20.—Information has been received here from Pekin that China has taken measures to support Siam as against the French. The interference of China will add a most interesting feature to the France-Siamese dispute, and will probably result in a medification of some of the demands of France as contained in her

Paris, July 20.—The statement is published that Baron Mohrenheim, the Russian ambassador to France, officially informed the French Government prior to formed the French Government prior to the session of the Chamber of Deputies on Tuesday last, when M. Deville, the Foreign Minister, defined France's position in the Franco-Siamese dispute, that Russia would support France upon all the points in-volved in the Siamese difficulty. It is further said that the Russian fleet in Chinese waters is under orders to proceed to the Gulf of Siam for the purpose of sup-porting the French and of protecting the French residents in Siam.

The Senate to-day unanimously passed a resolution approving in every respect the attitude of the Government in the Siamese

the Times from Bangkok says that the re-cent statement on the Siamese difficulty made in the House of Commons by Sir Matabele warrier, who are under the rule to King Lobeng ela, have risen against the whites and threten to drive them from the country. The British settlers and prospectors and other whites are making their way as qickly as possible to Fort Victoria, where preparations are being their way as qickly as possible to Fort Victoria, which is a short distance to the north of the Lunde River, lies almost distributed to the cast of Buelagua, the site of King Lobenguela's kraal.

London, July 20.—In the Commons further questions were asked to-day in re-Edward Gray, Parliamentary Secretary o

LONDON, July 20.—In the Commons further questions were asked to-day in regard to the Siamese troubles. Sir Edward Grey, Parliamentary Secretary of the Foreign Office, replied in behalf of the Government. He rehearsed the events that occurred in Siam since the relations batters. A dispatch received this even in from Sir Henry Brougham Loch, Governor of Cape Colony, says that the rouble is entirely between the natives, and hat Europeans are in no danger.

The Court-Martial at Valetta.

VALETTA, Malta, July 20.—The courtmartial appointed to examine into the loss of the conflict. Sir Edward added that the colly part of the French ultimatum artial appointed to examine into the loss of Siam which concerned Great Friting was a colon of the conflict. to Siam which concerned Great Britain was that relating to territorial arrangements between France and Siam. The Govern-ment had determined to send Lord Dufment had determined to send Lord Dut-terin, the British ambassador to France, back to Paris with a view to securing an immediate exchange of views with the french Government on this point. The matter would be conducted in an amicable

south short show vice-Admiral Tryon intended the evolution to be effected. To have hesistated we a have been to disobey. His general feeling was that it was safest to confide in the ability of Vice-Admiral Tryon.

dishipman Oglivic, of the Campern, was stationed at the starboard teleph at the time of the collision. He is certain that he placed the index full adasters, as he had been ordered to do, man Heawood declared that Rear al Markham ordered him to signal engine room three-quarters, and not speed astern. This he did.

Agineer Carter corroborated the testify of Henwood.

Yogress on the Home Rule Bill.

Lozdon, July 20.—The last eleven when the work of the House in committee had been pashed forward to clause 27. The clause concerning judges and other persons having salaries charged on the comsolidated fund was carried on Monday. Clause 28 concerning persons it the civil service, and clause 29 concerning persons it the civil service, and clause 29 concerning pensions were passed last evening. Ten of lock this evening was the time strength. The first with a view to securing and immediate exchange of view to the specific of the conducted in an amicable spirit.

PARINS, July 20.—A dispatch received here to-day from Bangkok states that the left standiff The first origin, sade here to-day from Bangkok states that the siamese court is greatly agitated. Preparations are apparently under way for the departure of the King and his court from the King to leave Bangkok have spread among the populace and have caused much excitomen. The dispatch here to-day in the troops have been sent to put down the sedition.

The statement that Russia had signified her intention to support France in her dispatch received had been proper and that troops have been sent to put down the sedition.

The statement that Russia had signified her intention to support France in her dispatch received had been received had been received here to-day in the Russian warships were now on way to the Gulf of Siam was at 120 Cli above. The statement that R

someorning persons in the civil service, and clause 20 concerning persons in the civil service, and clause 20 concerning pensions were passed last evening. Ten o'clock this evening was to time fixed in the Government schedule for closing the debate on the other clevon clauses. At that hour the committee was discussing Mr. Gladstone's amendment, which provided that acts relating to the royal constabulary be repealed at the end of six years and that none but civil police, he created under an Irish act. This amendment concerned clause 30, which deals with the Irish royal constabulary and Dublin metropolitan police. The clock struck, and under the closure the amendment was carried by a vote of 537 to 49. Clauses 30 to 36 were then passed in rapid successiva by majorities varying between 24 and 34. The subjects of these clauses are police, Irish exoltence, law applicable to both Houses of Irish Legislature, supplemental provisions as to powers of the Irish Legislature, iminitation of berrowing by local anthorities, temporary restriction en

CIED FROM HYDROPHOBIA.

Lizzie Byram Loses Her Life from Pet Dog's Bite.

Death Resulted from an Apparently Insignificant Scratch, which Drew No Blood and Was Received in April-The Dog Was Not Known To Be Mad, but Disappeared.

ASBURY PARK. N. J., July 20.-Lizzi Byram, an intelligent, pretty girl of 19, living with her parents on Fourth avenue, died yesterday morning, a victim of hydrostebic.

The latter part of April Miss Byram was The latter part of April Miss Byram was sitting in the parlor at her home playing with a small black-and-tan terrior. The dog suddenly became enraged and bit his mistress on the right hand. The wound was only a slight scratch, drawing no blood, and Miss Byram did not even consider it worth while mentioning the occurrence to her family.

The dog left the house the same day and has not been seen by the family since. Soon

has not been seen by the family since. Sooi after the occurrence, however, a mad dog answering to the description of the little black-and-tan was shot at Brandly Beach, and the state of t

short distance below here.
Friday morning Miss Byram began to feel acute pains which appeared to indicate a severe cold. In the evening she consulted a severe cold. In the evening she consulted Dr. J. H. Bryan, who prescribed for her. Saturday morning Dr. Bryan called at her home and found his patient unable to take either food or medicine.

The effort to swallow liquids of any kind.

threw her into convulsions and caused spas modic contractions of the throat. Another larming sympton was her extreme sens ss to air. Dr. Bryan felt confident at it was a genuine case of hydrophobia. owever, under constant care and medical skill, the girl began to improve. Until 9 o'clock Sunday evening the symptons were less alarming.

An hour later the doctor was hastily

an nour later the doctor was hastily summoned, and, upon reaching the house, found the girl frothing at the mouth, while every word she speke had the canine growl or bark. While afflicted by the spasms it required three strong men to hold her in hed. While the physician was holding ber

While the physician was holding her hand yesterday she attempted to bite him. Recovering herself, she said: "Doctor, hold your hand up higher, pleas, for I fear I may bite you, though I do not mean to." The girl realized her condition fully and retained her consciousness until just before she died, at 6:30 a.m. The spasms continued until a few minutes before she died. When she died Matthew Applegate, to whom she was to have been married, was holding her lead. The been married, was Whon she died Matthew Applegate, to whom she was to have been married, was holding her head. The dying girl scratched Mr. Applegate on the forehead. The young man hastened to a doctor and had the wound cauterized. Dr. J. F. Ackerman, the consulting physician, agrees with Dr. Bryant's diagnosis as a genuine case of hydrophylic.

The dead girl was the daughter of Alpheu J. Eyram, jun., a patent medicine manu-facturer of Newark. The death of Miss Byram has alarmed the town. Last night

Second Day's Session of the Grand Lodge.

Hon. I M. Gibson Re-elected to the Post of Grand Master.

P. W. D. Broderick Chosen D. D. G. M. for the London District-Other Officers Selected and Matters of General Inter-est Dealt With-Hamilton the Next Meeting Place.

(Special to the Adventiser.)

Ottawa, July 20.—This morning the delegates from the various districts met as district lodges, and eleoted district deputy grand masters. The post of D.D. G. M. for the London district fell to Wor. Bro. P. W. D. Broderick, of Tuscan Lodge, 195, London. Wor. Bro. Broderick has been a zoalous exponent of craft as well as capitular Masonry. He has held office in Brockville, Owen Sound and London; is an excellent public speaker and one of the best posted Masons in the Canadian jurisdiction. He is known to many outside the craft as the manager of the Molsons Bank at London. R. Wor. Bro. Broderick has been in receipt of many congratulations.

W. Bro. Ferrer, Hamilton, moved that any question once decided affecting the constitution, shall not be open for reconsideration at any time within five years after such decision, except upon a vote at an annual meeting to reconsider, such vote to be taken without dehate, and supported (Special to the ADVERTISER.)

an annual meeting to reconsider, such vote to be taken without debate, and supported by a majority of the members present. This was carried.

his was carried. Wor. Bro. M. Gibbs, Toronto, seconded by Dr. Bullock, Peterboro, moved that intoxicating liquors as a beverage be prohib ited at refreshment tables in connectio with Masonic lodges. It was shown that subordinate lodges had the power to prosubordinate lodges had the power to pro-hibit in their own hands, and that two-thirds of them had passed resolutions against liquors being used, and the Grand Lodge, by a majority, voted down Bro. Gibbs' resolution.

In the grievances and appeals, R. W. Bro. J. H. Burritt, of Pembroke, gave

committee's conclusions on grievances from private lodges brought before them. W private ledges brought before them. W. Bro. A. B. Greer, of London, asked if the committee had before them the protest of St. John's, 20, against the initiation of a member by Delaware Valley Lodge, and was told that the district grand master had not lodged the paper with them for consideration. Adouted.

Jurisprudence, by R. W. Bro. J. C. Hegler, of Ingersoll, recited the case of St. Paul's Lodge, No. 107, Lambeth, which had Paul's Lodge, No. 107, Lambeth, which had infracted the constitution by conferring a degree within the time specified. It was pointed out to the committee that the W. M. had made a mistake in the matter, but the committee refused to condone, and ordered the lodge to be disciplined as a warning to others. Adopted.

There was an increased attendance today when the election of Grand Lodge officers took place. Hon. J. M. Gibson, Hamilton, was re-elected grand master, and Hon. Speaker White, Pembroke, deputy grand master.

and Hon. Speaker white, remorake, deputy grand master.
Dr. Secord, mayor of Brantford, was elected grand senior warden.
Grand Lodge adjourned till 3:30 p.m., when other officers will be elected.

THE OFFICERS.

OTTAWA, July 20.—Following are the figures in the vote for grand master, deputy grand master and grand senior warden; Grand master, Hon. J. M. Gibson, 970 Grand master, Hon. J. M. Gibson, 970 votes ont of 971 cast; for deputy grand master W. R. White, Q.C., Pembroke, 911 votes out of 916 cast, two votes each being cast for Mr. Gibson, M.P., and E. T. Malone, of Toronto, who are the prospective candidates for deputy grand next year. Dr. Secord, mayor of Brantford, was elected grand senior warden, receiving 663 votes as against 181 obtained by his opponent, J. H. Salmons.

Foilowing are the remaining officers of the Grand Lodge elected this afternoon:

For junior warden Fred Cook was elected by a majority of 43 over A. E. Cooper, London.
