Ned was very handy about the house so soon had his dishes whiled, wiped and put away; then drawing a cricket to his mother's feet, he sat down beside her, and, looking gravely op into

her face, remarked: Mother, I want to go into R. H. White's store tomorrow morning, as a

"Why, Ned, what put such an idea into your head?" Mrs. Wallingford exclaimed in unfeigned surprise. "I've just read an advertisement in the paper; the firm want errand and eash boys. School's done, and I be-

Tears sprang into his mother's eyes.

"I've seen boys younger than I in he stores," he replied. So had she, but she still hesitated. not be good for you.' "Please let me try it, Marmee," Ned

or if it should be too hard, I can give that it would almost pay the rent."

The idea was so new to Mrs. Wallingford, that she still demurred. She lingford, that she still demurred. She feared that the confinement and weariness of being on his feet so much while he was growing so fast, might under-mine his constitution. But he urged and argued so eloquently, she finally said he might try it for a while, and the boy went to bed happy and with a sense of importance such as he had

never known before. He was up bright and early the next morning, blacking and polishing his well-worn shoes to the last degree of brightness, brushing his patched and threadbare clothes and trying to make himself as presentable as possible in

every respect.

His mother thought one could hardly give a thought to his clothing after glancing into his frank, bright face, and she smiled fondly across the table at him as they sat down again to "mush and milk," for, to her, he looked very attractive and lovable. He was high spirits, and talked volubly all through breakfast, laying many plans, and was so hopeful for the future that Mrs. Wallingford laughingly told him that he reminded her of the dairymaid and her eggs.
"And you haven't even the eggs yet,

Ned," she concluded, playfully.
"You mean I haven't got the situation yet," he said gravely. "Well, I know I haven't; but"—resolutely—"I'm going to get it before night, and then you shall see how fast I will climb the ladder, until by and bye you will not need to work at all. If I'd been a girl though, I don't suppose I should have

had so good a chance."

Ned had always seemed to have a jealous fear that his mother might have loved him better if he had been a girl, though just what had given rise to this feeling it would be hard to say. Perhaps it was because he was so fond

"Have you, really?" he exclaimed, keep it. looking up with a delighted smile."That A new form of looping the loop is makes me feel good, only if we were not so poor I should have been very happy

if I could have had a sister." of pain leaped into her eyes at his re- track, at the end of which it will mount

tidy, dear, considering your resources.
Don't you want to put your rose in your buttonhole?" and she glanced at the dainty flower on the mantel. "No, indeed, Marmee, I'm going to keep that bud always," he returned, with a flush. "Say, will you let me have that pretty little ivory box to keep it in when it fades? It is just about large enough," and he regarded the bud with a tender glance which plainly indicated

that it was very precious to him. Mrs. Wallingofrd smiled at this evihe said in a playful tone when their dence of sentiment in one so young. humble meal was finished; "make be"Yes, you may have the box, Ned; "Yes, you may have the box, Ned; but lieve that I am a girl and let me wash I had no idea that you were so sentimental," she said, amusedly.

Ned flushed, more at the tone than will; I sat up so late last night, I said, "and that little girl was the pretfeel unusually languid. You are a real tiest and kindest one I ever saw. If," "More than I should have been if I nearly convulsed his listener, "I should grow to be a man, and marry anybody, had been a girl?" Ned asked, roguish- grow to be a man, and marry anybody, I should choose a girl with blue eyes "Yes, indeed," was the quick, almost and golden hair, and—and she should sharp reply, while a hot wave of color have a pug, too, if she wanted one." flashed over the woman's pale face. "A "Oh, Ned, Ned," cried his mother, girll anything out musically "you're countgirl never could have battled with- laughing out musically, "you're count-

WILL BE MODERATION IN GAME NEXT FALL

has been demonstrated in various conqueror:

that have been announced to date. MAN WITH THE GUN IN CLOVER NOW

Hundreds of Tons of Large Fish Will Be Shot Within Next Two Weeks.

Lachine, April 12. - The rising vater consequent upon the rapid melting of the snow has caused clear stretches to reveal themselves alongside the margins of lakes and rivers, which the hardier fishes, tired with their long imprisonment under the ice, ball team. He was connected with the

are using as recreation grounds. Pike and dore, perch and chub, still somewhat stiff and sluggish from the about, or lie for hours perfectly still, as near the sun and shore as possible, the broad dorsal fin on the big fellows waving in the spring breezes. It is the season of the fish shooter, who gets a good deal of fun out of his rather unsportsmanlike pursuit. Stealing along the shore with his gun heavily loaded with small shot he aims for the head of the fish, his object

cable the directors of the St. Louis being to strike somewhere about the spot on which it lies. His sighting need not be very exact, since in eight cases out of ten it is the concussion of the shot upon the water nearby that stuns the fish. Some men acquire a kind of knack of getting at the proper distance so that the shot may strike at such an angle as to produce shock sufficient to shatter the

in Canada and the United States, and its consumption increases each year. It has made its own way and all that needs to be done is to keep its name before the public. Everyone knows that it is to be had at any store, for all merchants keep it.

A new form of looping the loop is promised the Parisians. A French engineer says he will make a motor car run down a slope to a chasm in the track, at the end of which it will mount a spring-board and turn a complete some smult, coming down on the other side of the chasm and on a continuation of the track.

Interest in the game seems to be disposed of, and this year, perhaps because of the exceedingly hard and turn that is in the least difficult of fish shooting. Some of the chasm and on a continuation of the track.

It is safe to say that hundreds of tons of large, coarse fish will be shot during the present fortnight, and it is said that their meat is never so fine and good as it is just at this season.

The safe to say that hundreds of the ton to continue for a longer period if the legal advisers of the track decide that this is practicable. Judge Rassieur has already expressed the belief that this can be done, and is other of the delight of the old man, whose lusty cherts as he urged one or other other countries and spreads into As the water rises and spreads into swamps and intervales the fack hunters begin to get in their dark and deadly work. The muskallonge and pike seek these fresh shallows for the sake of the warmth the water catches will make money. In fact, if the visitsake of the warmth the water catches from the ground, and perhaps with an eye to an occasional early frog that may work its way out from its hibershould be enough money in the game

will make money. In fact, if the visithis chance.
His ancestors, he said in answer to
questions, came over to Bristol from
Holland a century and a half ago, and sake of the warmth the water catches will make money. In fact, if the visit-

may work its way out from its hibernating below the frost in the mud.

To the spearman standing near the jack full of blazing oiled cotton waste or fat pine knots the motionless shape of the fish is clearly revealed, and it is an easy thing to push a broad, barbed spear into its back and drag it into the boat. It is contrary to law to take fish in this way, but a prodigious number are speared in this Province every spring, and it is not unusual to see 20 and 30 pound fish exposed for sale with the marks of the spear prongs upon them.

Should be enough money in the game for the conflicting courses to run independently and profitably.

The race-going population of St. Louis is large, and it may alone be able to support two race tracks. St. Louis once saw a time when three tracks were running simultaneously, and all making money but two of the male members of the family is now a mosaic worker.

"I don't drink and I don't smoke," and every one of the male members of the family is now a mosaic worker.

Louis is large, and it may alone be able to support two race tracks. St. Louis once saw a time when three tracks were running simultaneously, and all making money but two of the male members of the family is now a mosaic worker.

Louis is large, and it way alone be able to support two race tracks. St. Louis once saw a time when three tracks were running simultaneously, and all making money but two of these, the East St. Louis and South Side tracks, were small affairs, with light running expenses, thile the fair grounds did not profit so largely of Milford (Burns), 20 to 1; Belle fair grounds did not profit so largely of Milford (Burns), 20 to 1; W. B. Fasig (Neely), 3 tion was removed.

NEW FREE RECEIPT CURES WEAK MEN

New Improved Method That Cures All Nervous Diseases That Exhaust the Vital Powers of Men-Gives the Vigor and Inclination of 25 to Men of 65 and Cures Permanently.

The Full Receipt, Full Directions and Descriptive Book Free-Send Address Today.

For the benefit of male readers, young and old, who find themselves weak in vital function, the well-known Dr. Knapp Medical Company, of Detroit, Mich., will send their famous receipt and full directions how to cure yourself at home,

free of charge. It is not necessary to write a full letter, as they send it free as soon as they receive your name and address. Wonderful improvements have been made in the famous receipt, until it now positively gives the longed-for effect in only one day's use, and cures permanently in half the time required by any other method that we have ever heard of. It is a lasting cure for any form of wasting drains, vital weakness, lack of staying power, bashfulness and timidity, puny organs, prematurity, dissatisfaction, varicocele, stricture and all other embarrassing conditions that interfere. With the newly discovered ingredients that have lately been added, this wonderful recipe is indeed worth having. It goes direct to the weakened parts, makes the muscles firm, the nerves steady and has a vitalizing effect on the glands and mucous membranes, so that a cure is certain. You know best if you need it or not, and if you do, lose no time in getting it, for the sconer you write the sconer you will be cured. The address is Dr. Knapp Medical Company, 953 Hull Building, Detroit, Mich. The new recipe, with full directions how to cure yourself privately at home and a book that goes into the subject thoroughly will be mailed you at once in a plain sealed package free of charge. You will not be asked to deposit any money, or to pay for it in any way. It is absolutely free; and as it can cost you nothing you should send for it without further delay and find out for yourself that it can cure you.
