## First Big Social Function Is Held In Arts Building

Faculty-Alumni Reception Is a Brilliant Event at Western.

ARE PRESENT

The great new halls of the univerty of Western Ontario will be new of Western Ontario will be new to longer. With the events of the 1st two days, tradition has been illing up in the empty spaces. Last ight the beautiful new convocation all, in the main building, harbored ne strains of dance music for the rest time. For the first time restless eet danced their way across the loor which had been travelled the ay before by the robed procession dignified professors.

Last night those same professors, their academic robes thrown aside, danced and chatted with the large company of Western Ontario univer-sity alumni gathered there for the

llumni-faculty reception.
This first social function held in he new arts building was one of the nost interesting functions held in connection with the whole series of pening ceremonies.

Following the alumni dinner it came as a pleasant reunion of professors and their wives with former students. Receiving the guests were Dean and Mrs. Sherwood Fox, Mrs.

## The Kidneys—

and their relation to Good Health

You want good health. You want to enjoy life to the full, unhampered by sickness and disease. Then you must see to it that every organ of your body is working smoothly and performing its functions properly.

Particularly is this true of the kidneys, the filters of your body. If the kidneys become clogged with impurities, your blood becomes poisoned, and your whole system suffers. You have headaches, pains in the back, swollen hands and joints, rheumatism. Urination is painful, scanty, or too frequent.

Unless this condition is checked, serious and perhaps fatal illness will result. If you detect any of these symptoms, correct the trouble right away by taking

They will restore the kidneys to their normal action, and give you back the good health you
