Repetition is sometimes the only way to impress a truth upon the mind. Accordingly take notice that Dr. Pierce's "Pleasant Purgative Pellets," (the original Little Liver Pills) continue to be wonderfully effective in cases of sick and nervous headaches, constipation, indigestion, rush of blood to the head, cold extremities, and all allments arising from obstruction of the bodily functions. Their action is thorough yet gentle, and the ingredients being entirely vegetable, they can be taken with impunity into the mest delicate stomach.

Corsets to Order. Ladies, the manufacture of neat fitting corsets is one of the most intricate as well as the most exact of mechanical genius.

If not properly made and constructed in every part to fit the figure it is practically useless. In a neat fitting corset we claim to have revolutionized the old styles, and to produce such an article we use in the manufacture of those goods the very best material. Corsets to order a specialty.
