Robert W. Elliot, wholesale druggist, 35 Front-street vest, deposed to being a passenger on the Gertrude at the time of the collision. The Queen City was lying at the Exhibition wharf, at the time the Gertrude left. The littler made a guick passage to Brock-street and handled passengers and took some on board at the west side of Brock-street wharf. He did not see the Queen City was schen outside the elevator, going east. The distance between the boats would be about 200 yards are dight on the Queen City. The Gertrude gave two whishes, which the Queen City was then at that time would probably be 200 yards from the basis at the shadow of the Bruize when they passed the shadow of the Elevator. This was momentarily after this signals had been given. The Gertrude at that time would probably be 200 yards from the Sadie. The heard two other the Gertrude and sadies passe with the directude and was answered by the eart two obout to be a collision. He heard two other the Gertrude and the aven passed with the Sadie, guite enough to have passed with after Sudie, guite enough to have passed with the Sadie, guite enough to have passed with after Sudie, guite enough to have passed with the Sadie, guite enough to have passed with after Sudie, guite enough to have passed with the south as the Gertrude and Sadie work the south of the W. The loss of life which courde would not het hought, have been prevent the dore the way.
