The Thread was quite smooth and fine, and promises to repay cultivation. Briefly we will mention some

successor will exceed it in every particular, we cheefully acknowledge that this Fair as done much perhaps Messrs. Simonds & Co, may soon have some as strong proofs given them of the people's disapproval of their conduct, should they offer again as candidates for legislative honors.

We have much pleasure in publishing the following remarks on the Cattle Show and Fair of the St Croix Agricultural Society, from a friend who was present on the occasion.

St. CROIX AGRICULTURAL SOCIETY.

The first Annual Cattle Show and Fair of this Society, was held at St. Stephen on Thursday the 16th inst., and brought together a large assemblage of farmers and spectuations, and also a goodly number of near cattle and stock of various kinds, cat. &c. &c. A full report of the proceedings of the Fair will be published erro long for circulation, including a list of the premiums awarded and by whom received. In the mean time we meters if y notice some of the best articles exhibited, which it will appear compare favorably, and with reference to grains, exceed the best.

The body was faken show the land and proved in severy particular and successor will exceed it in every particular, and successor will exceed it in the top change and an interspting description of the appear.

air at Washington, the other day, for with of owners. The postoffice authorities have decided that deal letter letters like deal men, should tell no tales; and so fire was set to the mountain of epistles. Supposing that each letter of sire 820 hashels contained "a peck of love," how many sighs went up in that flame !

A Fotal Jest. - A young lady in one of the seminaries of New York, indulged in the pleasantry of frightening a school mate, by appearing before her in the solemn dress of the grave. So perfect was the deception, so terrible the shock, that the frightened young hady fell senseless to the floor, and has not yet recovered her reason. It is feared that she is is a maniac for life. The silly and heartless girl who committed the mischief, should be sent to the penitentiary for as long time as her victim is confined by madness, even if it be to the end of her life. - Button
