CHEVROLET

The Last Word in Motor Car Value

The selling price of any automobile is based on the cost of material, production, distribution and overhead.

Large volume of sales greatly reduces all these costs.

Chevrolet now occupies first place in sales of fully equipped quality automobiles.

Therefore it has been possible for Chevrolet to establish the lowest price in the world for a quality automobile.

Also Chevrolet is the lowest of any car in cost of operation.

Seeing is believing—see the Superior models in our showroom. C1516
