We have placed in the appendix the evidence of the witnesses examined before us, the documents referred to in the evidence or produced before the Commissioners, the Cases laid before us, which were submitted to eminent counsel on either side of the question, together with the Opinions thereupon, also the report on the subject made by the committee of the Lower House of the Convocation of the Province of Canterbury, and the resolutions passed by the Upper as well as the Lower House of that Convocation, and the resolutions passed by the Convocation of the Province of York. * We agree to the main proposition contained in this report, and have therefore signed it, upon the understanding that it does not exclude the consideration of cases in which the authority of the Bishop and the rights of the parishioners and congregations are carefully guarded.

† In signing this report I think it right to express my conviction that any power to "restrain" the "variations in respect of vesture," to which the report refers, ought to be limited to cases in which "grave offence" is likely to be given by introducing such "vesture" into churches against the mind of the people, and also to state that by "aggrieved parishioners" I understand to be meant those who, being *bona fide* members and communicants of the Church of England, have a reasonable ground for "complaint and redress."

EDITORIAL NOTICES AND ANSWERS.

A well printed and neatly arranged monthly publication called the *University Monthly*, conducted by several of the Students at the University, Fredericton, has made its appearance. The typographical execution does great credit to Mr. Cropley. With the exception of their too great length and redundancy, the original articles are fairly though somewhat ambitiously written; but the sentences, generally, are a great deal too long. With regard to the selections we decidedly object to the character of that headed 'Saved.' It is not worthy the *Monthly*, but "*experientia docet*," and we sincerely wish the undertaking every success. The subscription price is only fifty cents a year.

We have received a handsome advertisement leaf from Mr. John C. Spence, Glass Stainer, 19, Bleney Street, Montreal, Manufacturer of Ecclesiastic, Heraldic, and Domestic Stained Glass. Mr Spence furnishes designs and estimates for Illuminated Painting and Church Decoration. He will shortly visit this diocese to receive orders. Letters &c. for him may be sent to the office of this Magazine.

The first number of a new magazine entitled the *New Dominion Monthly* published in Toronto by Messrs McDougall & Sons, has been received. Some of the contents are very interesting and readable, but the publication is marred by very poor wood cuts, and the introduction of decidedly sectarian hymns, music, and anecdotes.

The first number of a new church magazine published in Ceylon has been sent to us. It contains several very instructive papers shewing the status of the Church in that part of the world, and demonstrates among other things not only the desirability but the necessity of Diocesan Synods.

Several of the clergy will oblige by letting us know how many copies of the Magazine, each month, they will require for their subscribers up to May next.

RECEIVED.—*W. LeB. McK.*, 75 cents. *J. H.*, Newcastle, (in Aug.) \$5.30. *G. G. R.*, \$7.50.
