

Do You Keep Cows, or Do they Keep You?

A few cows should do much toward making your farm a paying proposition. If not, there is something wrong.

Three things are necessary to make the dairy yield a satisfactory profit:—

FIRST—Good Cows.

SECOND—Proper Feeding and Care.

THIRD—Proper Disposition of the Milk.

No matter whether you have half a dozen cows or half a hundred, it will pay you to take steps to see that you secure the proper returns from this source—be sure that your cows are more than self-supporting.

Some helpful hints will be found in

“PROFITABLE DAIRYING,”
