

MILLARD MANUFACTURING CO.

47 SPRAGUE STREET, PROVIDENCE, R.I.

Manufacturers of **SYRINGES, ATOMIZERS,** AND ALSO Workers in **WHITE METALS**

No. 2—TOILET.

No. 3—NASAL.

No. 6—LARYNX.

We claim for our Syringes, superiority over all others. They are connected by Elastic Packing instead of Screw Threads, and the connecting pipe can be quickly and easily inserted in socket, where it is firmly held in place, the joints being perfectly tight and remaining so. The valves are secured and cannot be lost. We use the best quality of rubber. Physicians recommend our Syringes as perfect in cleanliness, efficiency and durability.

The advantages of our ATOMIZER over all others is its Continuous Spray. Having but one Atomizing Point, it is less liable to get out of order, and being made of the best material, combined with its simplicity, neatness and durability, make it one of the most PERFECT ATOMIZERS in use.
