IMMERSION

PROVED TO BE

Not a Scriptural Mode of Baptism

BUT A ROMISH INVENTION, AND Immersionists shown to be Disregarding Divine Authority in refusing Baptism to the Infant Children of Believers

Second edition (fourth thousand), revised and enlarged, with appendix.

"A REVIEWER REVIEWED."
By Rev. W. A. McKAY, B.A., Woodstock, Ont.

"This is a book of 166 pages. It contains two well executed plates, the originals of which date back to the early centuries, and which exhibiting the ordinance performed by pouring. It is perhaps the most pungent and convincing exposure of the errors of Baptists that has yet appeared in a cheap and popular form.

From numerous testimonials the following are selected:

Rev. W. Caven, D.D., Principal of Knox College, Toronto.

"A very thorough examination of the subject I shall be glad to learn that the book may obtain, as it deserves, a wide circulation."

Rev. D. H. McEwen, LL.D., Principal Presbyterian College, Montreal.

"Our people, and especially theological students, should read it. Every family should have a copy of it. In spite of its racy and readable, and in argument short and pointed."

Rev. W. Cochran, D.D., Brantford.

"One of the keenest, ablest, and most conclusive little treatises I have ever read. The attempts so far made to answer it remind one of mice nibbling at the neck of Gibraltar."

THE CATHOLICITY

OF THE

Presbyterian Church,

By Rev. Professor Campbell, A.A., Presbyterian College, Montreal.

•• It is well reasoned throughout, contains passages of great eloquence, and proves its author to be a master in ecclesiastical history. It is in the form of a neat little pamphlet of thirty-two pages, being the first of a series of "Tracts on Presbyterian Topics" which the Publisher intends giving to the world; and we must say that he has made a good beginning.—CANADA PRESBYTERIAN.

Price 10 cents, or \$1 per dozen. Mailed to any address, postage prepaid on receipt of price.
