NOW READY.

THE
Lieut.-Governors of Upper
Canada and Ontario.

1792-1899.

By D. B. READ, G.C.

AUTHOR OF "LIFE AND TIMES OF SIR ISAAC BROCK," "THE REBELLION OF 1837," ETC.

With 22 full-page portraits by

... J. E. LAUGHLIN.

Price, Cloth, \$2.00; Half Morocco, \$3.25, postpaid.

This Province is indebted to Mr. Read for many valuable works of a biographical and historical character, among the earliest of which were his admirable "Life of Governor Simcoe" and "The Lives of the Judges." He places the public still further in his debt by this excellent series of sketches of the Lieutenant-Governors, in a sumptuous volume of 233 pages. A feature of great value in the book is the splendid series of portraits (some here published for the first time) executed for the work by Mr. Laughlin, each with a facsimile reproduction of the autograph of the Governor. Every Canadian library, public and private, should have Mr. Read's new book.
