# ROBT. W. KING & CO.

Engineers and Mechanical Experts

Present Office: 505 Markham Street, TORONTO

HAVING accomplished the business for which we moved to Montreal, we have now returned to Ontario for the better convenience of our old customers.

All business arrangements made in moving to Montreal are cancelled and dissolved, and we wish it understood that we have now no connection with or interest in any woolen or knitting mill whatsoever, more than the friendly interest we have ever taken in the welfare of our friends and patrons, whom we have always striven to impartially serve, and of whom Ontario contains the larger number.

Yours respectfully,

**ROBT. W. KING & CO.**
