

is weak or halting, but that his life is ideally beautiful, gentle in manner, tender and loving in spirit, devout in his religious life, manful and yet modest as a citizen, ruling by love more than through asserted authority, his life is a more eloquent plea for Catholicity than many volumes of polemics. He is the loved and honoured head of the Church in this locality, and may before long add to the ecclesiastical dignities of Chicago a cardinal's beretta."

Mrs. John Mandeville contributes to the new *Women's Gazette* a sketch of her late husband's life which has a touching interest. A peaceful interlude in the perpetual and tempestuous politics of Mandeville's youth occurred when his mother sent him, as a refuge

from arrest, to the care of Dr. McHale, at Main College. "He was personally very kind to John, and made the year he spent at Main a very pleasant one." During that time occurred a little incident which recalls one of Mr. Du Maurier's happiest designs. Some Australian Catholics sent a commission for a portrait of the Archbishop, who duly sat for the head. But Mr. Mandeville, having an exceptionally good figure, was asked to save his Grace's time by sitting for what Mrs. Mandeville calls "the torso." But just as Mr. Du Maurier's duke resented the model's legs, and asserted his attention of sitting for his own legs, Dr. McHale, when he found his subject smoking a pipe in the archiepiscopal robes, chose, with some indignation, to sit for his own torso.

CHURCH PEWS

SCHOOL FURNITURE.

The Bennett Furnishing Co., of London, Ont. make a specialty of manufacturing the latest designs in Church and School Furniture. The Catholic clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a number of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a branch office in Glasgow, Scotland, and we are now engaged manufacturing pews for new churches in that country and Ireland.
