

Poetry.

THE YOUNG CHRISTIAN'S DESIRE.

DANIEL'S wisdom may I know,
Stephen's faith and spirit shew,
John's divine commission feel,
Moses' meekness, Joshua's zeal,
Run like the unwearied Paul,
Win the prize and conquer all.

Mary's love may I possess,
Lydia's tender-heartedness,
Peter's ardent lively zeal,
James's faith by works reveal,
Like young Timothy may I
Every sinful passion fly.

Job's submission may I show,
David's pure devotion know,
Samuel's call O may I hear,
Isaac's happy portion share,
Let Isaiah's hallowed fire
All my new-born soul inspire.

Mine be Jacob's wrestling prayer,
Gideon's valient steadfast care,
Joseph's purity impart,
Isaac's meditative heart,
Abraham's friendship, may I prove
Faithful to the "God of Love."

Most of all, may I pursue
The bright pattern Jesus drew,
In my life and conduct show
How he lived and walked below,
Daily by his grace restored,
Strive to imitate my Lord.

Then shall I these worthies meet
And with them worship at His feet,
With them praise redeeming love,
Strike a golden harp above;
With them range the blissful shore,
Meet them all to part no more.

HEALTH FOR A SHILLING!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DIS-
ORDERED STOMACH, INDIGESTION AND DE-
TERMINATION OF BLOOD TO THE HEAD.

Copy of a letter from Mr. John Lloyd of Erw-wen, near Har-
lech, Merionethshire.

To Professor HOLLOWAY.

SIR.—I avail myself of the first opportunity of informing
you, that for a very long period I was afflicted with a dan-
gerous giddiness and frequent swimnings in the head, at-
tended by loss of appetite, disordered stomach, and gene-
rally impaired health. Every means had failed to give me
any permanent relief, and at length it became so alarming
that I was really afraid of going about without an attend-
ant. In this melancholy condition I waited personally
upon Mr. Hughes, Chemist, Harlech, for the purpose of con-
sulting him as to what I had better do; he kindly recom-
mended your Pills. I tried them without delay, and after
taking them for a short time I am happy to bear testimony
to their wonderful efficacy. I am now restored to perfect
health, and enabled to resume my usual duties. You are
at liberty to publish this letter in any way you may think
proper. I am, sir, your obedient servant,
(Signed.) JOHN LLOYD.

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq., of India
Walk, Tobago, dated April 8th, 1852.

To Professor HOLLOWAY.

DEAR SIR—I deem it a duty I owe to you and the public
at large to inform you of a most miraculous recovery from
that dreadful disease, DROPSY, and which, under God, was
effected by your invaluable Pills. I was tapped five times
within eight months, and skillfully treated by two medical
practitioners, but could not get cured, until I had recourse
to your remedy, and notwithstanding all I had undergone,
this miraculous medicine cured me in the course of six
weeks. (Signed.) EDWARD ROWLEY.

INFALLIBLE CURE OF A STOMACH COMPLAINT
WITH INDIGESTION AND VIOLENT HEAD-
ACHES.

Extract of a Letter from Mr. S. Gowen, Chemist, of Clifton
near Bristol, dated July 14th, 1852.

To Professor HOLLOWAY.

DEAR SIR—I am requested by a Lady named Thomas
just arrived from the West Indies, to acquaint you that for
a period of eight years herself and family suffered from
continual bad health, arising from disorders of the Liver
and Stomach, indigestion, loss of Appetite, violent Head-
aches, pains in the side, weakness and general debility,
for which she consulted the most eminent men in the
country, but without any beneficial result; at last, she had re-
course to your invaluable Pills, which in a very short time
effected so great a change for the better, that she con-
tinued them, and the whole family were restored to health
and strength. Further she desires me to say, that she has
witnessed their extraordinary virtues in those complaints
incidental to children, particularly in cases of Measles and
Scarlatina, having effected positive cures of these diseases
with no other remedy. (Signed) S. GOWEN.

A DANGEROUS LIVER COMPLAINT AND SPASMS
IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton,
under Lync, dated July 31, 1852.

To Professor HOLLOWAY.

DEAR SIR—I have much pleasure in handing to you a
testimonial of the efficacy of your Medicines. A person
in this neighbourhood with whom I am well acquainted
was afflicted for a long time with violent spasmodic pangs
in the stomach and liver, arising from frequent colds,
smells of paint, and the effects of a stooping position which
he was obliged to assume in his business. The spasms
were of an alarming character, and frequently left him in
a weak and debilitated condition. At length he heard of
the salutary effects of your invaluable Pills, and was in-
duced to give them a trial. The first dose gave him consi-
derable relief, and by following them up in accordance
with your directions, they have acted so wonderfully in
cleansing the liver and stomach, and strengthening the di-
gestive organs that he has been restored to the enjoyment
of good health. I remain, dear Sir, yours faithfully,
(Signed) WILLIAM BOSTOCK.

THE COLONIAL LIFE ASSURANCE COMPANY
has been established for the purpose of affording to
the Colonies of Great Britain the advantages of Life As-
surance, and its regulations have been so framed, as to
attain that object in the most efficient manner under the
most liberal covenants. The progress of the business has
been attended with complete success, and the Company
has obtained the entire confidence of those whose patron-
age it was its object to seek.

From the wide basis of its constitution, and the extent
of its resources, the Company affords advantages which
no local institution can confer; and it has good ground
for asking public preference and support over other Brit-
ish Offices doing business in the Colonies, not only with
reference to the facilities which it affords, by receiving
premiums and paying claims in any British Colony where
its Policy Holders may reside, but on the ground that, in
seeking business out of Great Britain, it does so not as an
after thought, its Colonial arrangements not being mere
extensions of or additions to a home business, but as part
of its original scheme and intention.

The PROFITS OF THE COMPANY for the period
from 1810 to 1854 fall to be divided as at 25th May 1854,
and parties who Assure during the present year will
participate.

during the seven years they have been offered for sale in

undue means of increasing their sale have been resorted
