Botith.

Turre ace no tears in deaven.

By John T SWARTS.

i May a child his feet were bare;
lie weak frame shivered with the cold.
His youthful brow was kall by care,
life flashing eye his serrow inid.
Baid I. Toct boy, why weepest then I'
"My parents both are dead, he said.
"I have not where to lay my bead.
Oh, I am lone and friendees now "
Het friendiess child a friend on high
For you life precious blood was given;
There are no tears in Heaven."

I saw a man in life's gay noon,
Saind wreping o'er hie young bride's bler
'And must we part,' he cried so seen !'
An dewn hie cheek there rolled a taar
' Hearvecicken one,' tald I, ' ween not,'
' Weep 5.2 I' in accente wild he cried,
' But yesterday my loved one died,
And shall she be so soon forge; !'
Yorgotten ? Not all!! let her love
Smain thy heart, with angular riven.
Strive thou to meet thy bride above,
And dry your tears in Heaven,

I saw a gentle mether weep.
As to her throbbing hears she prest
An infant seemingly soleep.
On its kind mother's shelt ring breast.
'Fair one,' said I. 'pray, weep no more gobbed she,' the field of my hope I now am caked to render np.
My habe has reached death's gloomy shore.'
Young mother, yield no mous to grief,
Nor be by passion's tempast driven,
But find in these sweet words relief,
'Thore are no tears in Heaven.'

Poor travier e'er life's troubled wave—
Cast down or grief, o'erwiselmed by care—
There is an arm above can save,
Then yield not thou to fell despair.
Lenk upward, mourners, look above?
What though the thunders echo loud.
The sun shines bright beyond the cloud
Then trust in thy Redeemer's love.
Where'er thy lot in life be cast,
Whate'er of toil or woo be given—
Le firm—remember to the last.
'There are no tears in Heaven.'

THE FAILFAMED MEDICINE.

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTIMA, AFTER FIVE YEARS SUFFERING.

The following testimonial has been sent to Profesor

Holloway, by a Gentleman named Middleton, of Sectional Read, Liverpool.

Secland Read, Liverpool.

Sin,—Your Fills have been the means, under Frovidence of restoring me to sound health after five years of severe affection. During the whole of test period, I suffered the most dreadful attacks of Astama, frequently of several weeks' duration, attended with a violent cough, and consists epitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they falled to give me the slightest relies. As a hat remedy I tried your Pills, and in about three months they offseted a perfect cure of the disease, totally enalested the cough, and restored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient Servant.

to Prefessor Holloway.

Dram Sin,—In this district your Pills command a more extensive sale than any other proprietory medicine before the public. As a proof of their efficacy in Liver and Bilions Complaints, I may mention the following case. A lady of this town with whom I am personally acquainted for years was a devore sufferer from disease of the Liver and digestive organs, ber medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could sarrive many months. This amountement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them anti-sie received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving hor life.

I remain, Dass Bir, yours truly, Nov. 23rd, 1852. (Signed) J. GARIS.

Chester.

To Professor Hollowar,

Six,—I beg to inform you that for years I was a sufferer from Chronic Eleumatiam, and was often laid up for weeks together by its severe and painful attacks. I fried every thing that was recommendou, and was attended by one of the most eminent Surgeons in this town; but obtained no relief what-over; and fearing that my health would be entirely broken up. I was induced to go into our County Hospital, where I had the best medical treatment the institution afforded, all of which proved of no ayaid, and I came out no better then when I went in. I was then advised to try your Pife, and by persevering with them was perfectly cared, and enabled to resume my occupation, and althoughs considerable period has clapsed, I have felt no return weatever of the complaint.

I am, Sir, your obliged Servant, (Signed)

AN EXTRAORDINARY GURE OF DROPTY. AFTER SUFFERING FOR EIGHTEEN MONTHS. Copy of a Letter from Mr. G. Briggs, Chemist, Goole, dated February 14th, 1858.

dated February 14th, 1858.

To Properson Holyoway.

Sin,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable molicines. Captain Jackaon, of this place, was afficted with Dropsy for upwards of eighteen mouths, to such an extent that it caused his body and limbs to be much swoiten, and water cozed as it were from his skin, so that a daily change of appared came nocessary mountistanding the various remedies tried, and the different recursal men consumed, all was of no avail maillo commenced using your Pills, by which, at "a strict attention to the printed directions, he was effected by cured, and his health perfectly re-established. If you deem the worthy of publicity, you are at liberty to use "...
