OTTAWA FIELD-NATURALISTS' CLUB.

We are glad to learn that the Naturalists resident in Ottawa have organized under the above heading, with the avowed object of paying special attention to the Natural History of the Ottawa District. The Club is under the patronage of His Excellency the Governor-General, and has an efficient staff of officers; among them we observe the names of two of our esteemed contributors, J. Fletcher and W. H. Harrington, both enthusiastic Entomologists, and we are pleased to see Entomology so well represented in this connection. It is intended to have occasional excursions during the summer, and evening meetings during the winter for the pursuit and discussion of Natural History subjects. Already the Club has had one very successful excursion, the party numbering in all, ladies and gentlemen, about forty. We should like to see such clubs organized in every city in our Dominion. There is a growing fondness for this interesting study, especially among our young people, and a little stimulus of this sort would materially aid in developing it.

PERSONAL.

A WELL-MERITED HONOR.—We learn with much pleasure that our eminent American Coleopterist, Dr. John L. LeConte, of Philadelphia, has been elected an honorary member of the Société Entomologique de France. The honorary membership in this Society being limited to twelve, and the only other representatives of the English speaking races being Darwin and Westwood, we feel that a high compliment has been paid to American Entomologists by this selection, and a deserved appreciation shown of the unceasing efforts of this distinguished author in his endeavors to promote the interests of Entomological Science.

Mr. B. Neumoegen, of New York, an enthusiastic Lepidopterist, is anxious to obtain as large an amount of material as possible in his department from the northern portions of America, and will be glad to hear from any one who will collect for him in any part of British North America, especially in the north-west, and in the Island of Anticosti. Mr. Neumoegen's address is P. O. Box 2,581, New York.
