

MOORE'S Improved Non-Leakable FOUNTAIN PEN

THE BEST Fountain Pen Made at ANY PRICE.

Patent
July 18, 1893.

Patent
September 8, 1896

These Pens, being constructed upon entirely different principles from other fountain pens, are without doubt the nearest PERFECTION of any pens ever manufactured. All the undesirable features of other fountain pens have been eliminated. Send for our Illustrated Catalogue, just out. It will interest you if you are looking for a Perfect Fountain Pen, Strictly High Grade. They can be carried in any position in any pocket and will not leak.

RETAIL PRICE, \$2.50 TO \$12.00.

Lot 7-13/12 see book

A SNAP—The day after Christmas we purchased 700 doz. of a beautiful line of Dressed Dolls which were imported by a Toronto firm, and which, for some unknown reason, were not delivered. We secured the lot for cash at a great bargain. We are sending samples to a good many of our customers—we will gladly send you one if you send your address. This doll cost the wholesale trade nearly \$3.00 per doz. to lay down, and has always been considered a good 50c. article. We now propose to make it a 25c line which will be the best article ever seen at this price in the way of dolls. They are each one in a box in the regular way. We have had to put a much stronger box on the sample to avoid being crushed in the mail boxes. Half of the lot, or nearly so are sold, so if you want a bargain speak quick. We will hold orders placed now till 1st of August. Prices as follows: 1 doz. \$2.00 4 doz. \$7.25 7 doz. \$12.50 net 1st August.
