**CERTIFICATE FROM MR. ALFRED KNUCKLE**, American House, St. Joseph Street—

MONTREAL, March 7th, 1872.  
DEAR SIR,—I was afflicted during the beginning of this winter with a most severe COLD, attended with incessant COUGHING and DIFFICULTY OF BREATHING, which reduced me so low that many persons supposed I could never recover. I tried a great many things, which were given me both by my doctors and friends; but did not receive any benefit from anything until I commenced using your "HOARHOUS AND CHERRY BALM," which seemed to give me relief immediately. I continued using it until I was completely cured, and now I believe I am as well as I ever was in my life. I would gladly recommend it to any person suffering from a similar complaint. Almost anybody who knows me can certify to the above. ALFRED KNUCKLE.

**CYANO-PANCREATINE.**

**THIS MEDICINE**, prepared by the Sisters of the General Hospital of Montreal, (Grey Nunnery), contains no ingredient which can in any way injure the system.

As a compound, it is entitled to rank amongst the most beneficial of all special remedies, principally in the following cases:

1st. *Dyspepsia*, or derangement of the digestive faculties, where it produces astonishing effects throughout all the stages of the disease, provided there be no organic lesion, in which case the Medicament can only impart a temporary relief. Its curative properties have been already tested in a great number of the above mentioned cases, thus leaving no doubt of its efficacy.

2ndly. In *Bronchitis* or *Pulmonary Catarrh*, it acts most soothingly, facilitates expectoration, relieves the cough, and brings the malady to a prompt solution.

3rdly. In *Colds* tending to Consumption, it causes a visible change for the better, renders expectoration easy, and assists the stomach to dispose of those other remedies suited to the peculiar nature of the case, thus tending not only to alleviate suffering, but also to prolong life.

A CHEMICAL FOOD AND NUTRITIVE TONIC.

ALL the Organs and Tissues of the body are constructed and nourished by the Blood which holds in solution the material of which are made bone, muscle and nerve, and distributes to each its proper proportion. To insure perfect formation of this vitalizing agent, there must be complete Digestion and Assimilation. When these functions are deranged there will be Dyspepsia, the food will be imperfectly dissolved from insufficient gastric juice, the blood will become watery and deficient in fibrin, the vital principle, and the whole system undergo degeneration from perverted nutrition: diseases of the Liver, Kidneys, Heart and Lungs, with Nervous Prostration and General Debility result, and the constitution is broken down with Wasting Chronic Diseases. To enable the Stomach to digest food, and to supply the waste going on from mental and physical exertion, Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is reliable, and permanent in its effects.

Sold by all Druggists at \$1.
