

## Do You Appreciate SOAP

- that gives a delightfully rich, creamy lather;
- that leaves the skin soft, cool and fragrant;
- that keeps the complexion in the pink of condition;
- that is made from refined and sweet vegetable oils, and
- that is as pure and perfect as soap can be?

If you appreciate these qualities in soap, get a box of Baby's Own to-day.

## FROSTILLA

Should be kept in  
**YOUR BATH ROOM**

Apply it to your hands after washing, while still wet, rub thoroughly and then wipe dry with towel. You can keep them soft as velvet in this way in Winter or Summer.

IT WORKS LIKE A CHARM

NOT GREASY OR STICKY—DELIGHTFUL PERFUME.

All who use it like it because it does all that is claimed for it, and is so pleasant in its effect. Marion Harland, America's leading authority on household affairs, pronounces it a most charming toilet article.

Perfectly harmless to the most delicate skin.
