

Their Source of Comfort

OLD AGE dependent upon others and full of anxiety about the daily needs of life is a painful prospect. Old age is beautiful when free from care. The right kind of an old age pension is one which comes from your frugality and foresight in younger and more prosperous times. Insurance money is the kind of an old age pension you can accept with dignity and self-esteem.

The TRAVELERS "Insurance Annuity-65" Policy is the right kind of an old age pension. It provides insurance protection to age 65, when premiums cease, the policy matures and The TRAVELERS begins to pay to the insured 1/10 of the face of the policy each year as long as the insured lives. If the insured lives to age 65 but dies within 10 years the payments are continued to the beneficiary until the full amount of the original insurance is paid. The policy also contains the most liberal disability clause ever offered to the public.
