THE HIGH SCHOOL

Drawing Course.

Authorized by the Minister of Education.

The course is now complete:—

No. 1—Freehand.

No. 2—Practical Geometry.

No. 3—Linear Perspective.

No. 4—Object Drawing.

No. 5—Industrial Design.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercise, in every case, is a *space for the student's work*. Each copy, therefore, is a complete Text-book on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4 and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a *uniform, and not a mixed series covering the whole subjects of the examinations*, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country, and recently Master in the School of Art.

The approaching Examinations will be based on these authorized books.

In All Complaints

Of the Stomach, Bowels, Liver, and Kidneys, Ayer's Pills are taken with excellent results. Being purely vegetable, they leave no ill effects, and may be safely administered to any one, old or young, in need of an aperient and cathartic. Physicians, all over the country, prescribe Ayer's Pills and recommend them as a good Family Medicine.

"If people would use Ayer's Pills," says Col. D. W. Bozeman, of Franklin, Texas, "in course, as you direct, very many of the serious ailments that come from torpidity or derangement of the liver and from malarial infections would be avoided. I have used these pills above a quarter of a century and know whereof I affirm."

Herman Brinckhoff, jewelry engraver, Newark, N. J., writes: "Costiveness, induced by my sedentary habits of life, became chronic. Ayer's Pills afforded me speedy relief. Their occasional use has since kept me all right."

All diseases are cured by our Medicated Electric Belts and Appliances. On the principle that electricity is life, our appliances are brought directly into contact with the diseased part. They act as perfect absorbents, by destroying the germs of disease and removing all impurities from the body.
