

The GREAT MEDICAL WANT SUPPLIED.—Ask any medical man what has been the great desideratum in the practice of physic for centuries? He will answer: "Purgation without pain or nausea; without subsequent constipation; without detriment to the strength of the patient. Inquire of any individual who has ever tried BRISTOL'S SUGAR-COATED PILLS, if they do not accomplish this object. Of the multitudes that have used them, not one will answer no. The family testimony to their efficacy is the strongest ever adduced in favor of any cathartic. Upon the liver their effect is as salutary as it is surprising. In fever and ague and bilious remittent a fever they can work such a beneficial change in a brief period, as can only be realized by those who have experienced or witnessed it. No man, or woman, or child, need long suffer long from any derangement of the stomach, liver, or bowels, in any part of the world where this sovereign curative is obtainable. They are put up in glass vials, and will keep in any climate. In cases arising from, or aggravated by impure blood, Bristol's Sarsaparilla should be used in connection with the Pills.

MURRAY & LANMAN'S FLORIDA WATER.—Chemistry evolves coarse imitations of the scent of flowers from many revolting ingredients; but the refreshing odor which exhales from Nature's floral centers, as they swing in the breezes of the tropics cannot be simulated. Hence the superiority of this celebrated perfume the concentrated essence of flowers, gathered in the groves of Florida, over other scented waters; hence, too, the tenacity with which it clings, and with which it adheres to whatever it touches. We know of no other essence that can approach it in delicacy and imitability, except the finest Eau de Cologne; and this is preferred by the ladies of South and Central America, and the West Indies to that famous article. As it costs, we believe, only about half the price. As these are imitations, it is necessary to inquire for Murray & Lanman's Florida Water.

TOUR TOM'S A-COLD, says Edgar to King Lear, as he covers shivering in the blast. Thousands are 'a-cold' at this moment. Thousands more, who are burning hot, will be 'a-cold' to-morrow or the next day. For this is the season of Chills and Fever. To all who suffer from the complaint, whether shivering or burning, we offer the means of preparation, (take yourselves, without delay, to HUSTETTER'S STOMACH BITTERS. No intermittent can withstand their hygienic influence. Beware of acidities and adulterated stimulants. Use this pure, most wholesome and most agreeable of all tonics. It has never failed. As an invigorant, science has yet to discover its equal. All liver complaints yield to its anti-bilious properties. Taken as a protective it is a sure defence against miasma. Where the blood is impure it will be found an admirable de-purative, and in nervous affections it is the one thing needful. Call at any drug store and get a bottle, which will convince you of its truth.

HOOPLAND'S GERMAN BITTERS.—It is over 142 years since this celebrated remedy was introduced to the American public. During this time it has performed hundreds and thousands of the most astonishing cures, and its reputation and sale have now reached a point that surpasses any remedy for the present or past ages. It has acquired this great reputation, not by a system of puffing, but by the actual merit of the article itself. If you are afflicted with any of the diseases for which it is recommended, such as Dyspepsia, Liver Complaint, Nervous Debility, or Disorder of the Digestive Organs, it will not fail to sustain its reputation in your case. For sale by all druggists and dealers in medicines.

VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE OF A MILLION. In Old Physician's Testimony. READ: Waterbury, Vt. Nov. 24, 1853. Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. Downs' Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or Cold, for the Croup, Whooping-Cough, & all diseases tending to Consumption, and to the Profession as a reliable article. I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe.

A GREAT TRIUMPH.

Read the following letter from one of our most respectable citizens:—

Messrs. Devins & Bolton, Druggists, Notre-Dame St., Montreal:—

Gentlemen,—Having suffered severely for four years from palpitation of the heart and frequent attacks of fever and ague, with loss of appetite and great pain after eating, attended with weakness and gradual wasting away of body, I was induced to try Bristol's Sarsaparilla, and found from the first bottle considerable relief, and before I had finished the sixth, found my maladies completely removed, my appetite good, and my body vigorous and strong. I feel it my duty gratefully to acknowledge my cure, and to remark I had previously been under the first physicians in Toronto, Chicago, Cleveland, and Toledo, without receiving any permanent or even satisfactory relief.

Yours, gratefully, ALFRED HOOKER, Soap and Candle Maker, Craig Street, Montreal. May 10, 1863.

WISTAR'S BALSAM

WILD CHERRY Has been used for nearly HALF A CENTURY.

With the most astonishing success in Curing Coughs, Colds, Hoarseness, Sore Throat, Laryngitis, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, Including even CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue.

The power of the 'medicinal gum' of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

CERTIFICATE FROM L. J. RAGINE, Esq., of the Marine:—

Montreal, C.E., Oct. 20, 1858. S. W. Fowle & Co., Boston—Gentlemen,—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence.

Your obedient servant, L. J. RAGINE. CURE FOR WHOOPING COUGH.

St. Hyacinthe, C.E., Aug. 21, 1856. Messrs. Seth W. Fowle & Co., Gentlemen—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. GUITTE, Proprietor of the Courier de St. Hyacinthe.

CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL.

Cornwall, C.W., Dec. 23, 1859. Messrs. S. W. Fowle & Co., Boston—Gentlemen—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy 'par excellence' for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNER.

FROM A HIGHLY RESPECTED MERCHANT AT PRESOTT, O.W.

I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits.
