February 8th, 1864. Messrs. Jones & Evans-Gentlemen-My motherin-law has been so greatly benefitted by your Hoofland's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and untesitatingly recommend it to all who are suffering from dyspepsia. I have had that disease in its most obstinate form-flatulency-for many years, and your Bitters has given me ease when everything else had failed .- Yours truly,

From the Hon, JACOB BROOM: Philadelphia, Oct. 7th, 1863.

Gentlemen.: In reply to your inquiry as to the effect produced by the use of Hoofiand's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one battle gave decided relief, the seconding effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its retarn for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its

use to the sufferers.-Truly yours, JACOB BROOM, 1707 Spruce Street.
