## Women Choose the Family Doctor

The Doctor that relieves the women of their functional disorders is the family physician. Asparoline compound has helped many family physicians to relieve their Dysmenorrhœa and Leucorrhœa patients. *We will send enough for one patient, free, to any physician who writes to us at our Toronto branch, 36 and 38 Lombard St., mentioning this journal.*

It is a safe and reliable remedy for the relief and cure of Dysmenorrhœa, Amenorrhœa, Leucorrhœa, Menorrhagia and kindred diseases where the Uterine Organs are involved and no organic lesion exists. The formula shows that it is a strictly vegetable compound, and may be used without any reserve, or any injurious tendencies.
