

bolus. This, as we have said, is hopeful. No one school is big enough to contain the whole truth. It is wise, then, to utilize what is good in all and to combine for that purpose. When the day comes that "the whole medical profession will be one," as Dr. Fowler says, perhaps the mortality lists will not be so large—Ex.

NEW BOOKS.

We have received from the New England Electric Publishing Co. a copy of Dr. Alex. Wilder's History of Medicine. The outline history of medicine from the earliest known period is one of the best and most concise we have ever seen. The account of the old and new schools of the nineteenth century and the progress in the art of healing is dealt with in a masterly manner, showing a vast amount of research and labor.
