Caverhill's Buildings,

St. Peter St., Montreal

**Mercantile Summary.**Two hundred car loads of tea were shipped  
eastward over the Pacific railway in September.THE Nova Scotia apple crop is stated to be  
unusually large. Apples are being shipped freely  
to New Brunswick.THE indigo crop in India will not, this sea-  
son, it is believed, exceed 7,600,000 lbs. the  
season being, it is said, one of the most disas-  
trous on record.THE QUEBEC Board of Trade declare them-  
selves opposed to the expenditure of Dominion  
funds in deepening Lake St. Peter, as a useless  
disbursement of public money.THE exports of St. John, N.B., for October  
show a falling off of forty thousand dollars, prin-  
cipally owing to the small business yet done this  
season in the exportation of sugar shooks to the  
West Indies.SIXTY-ONE new companies were organized in  
London, Eng., during October, having an ag-  
gregate nominal capital of £4,937,300. The  
lowest capital is £2,000, and the highest £2,-  
100,000.
