

Kellogg's Toasted Corn Flakes

always come in

WAXTITE

You never will be disappointed if you—
insist on the genuine Kellogg's WAXTITE package;
for then you get those crisp, appetizing, richly-flavored
Kellogg's Toasted Corn Flakes, packed fresh from our
great ovens in Toronto.

Your grocer has all the Kellogg WAXTITE products
for you—Kellogg's Toasted Corn Flakes; Kellogg's
Krumbles—the all-wheat food, ready to eat; and
Kellogg's Krumbled Bran—the new cereal bran food
that overcomes constipation and helps you to keep in
splendid health.

These most popular food products, made right here
in CANADA come to you at their best, each package
guaranteed by the signature of *W. K. Kellogg*

Offrez toujours à vos clients l'emballage Waxtite lorsqu'on vous demande les flocons de maïs rôtis de Kellogg. Il leur garantit d'avoir les flocons de maïs aussi frais et aussi croustillants que lorsqu'ils sortent du four. Faites plaisir à vos clients et des ordres répétés en résulteront.
