Dran Sirk, "Your "Dr. Morse's Indian Root Pills' are the best regulator for the system that humanity can u.b., Life is as the time-piece: frail and Jelicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheelin the works, and what is the result?—at first, only a slight difference. Perceptible in its time-keeping, but wait you a the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much cale in thoroughly cleansing the entire works. So it is in human ine—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning have been cured with little tro ble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve v.gor and vital'ity.

Yours faithfully.

Dear Sir,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root I-ills."

Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.

Yours, &c.,

WATSON, ARMINGTON & CO., PUBLIC CONFIDENCE

Once secured is of priceless value to a store. It is the mainspring of success, and attracts a patronage (not spasmodic) but steady and continuous. We think we have won the confidence and favor of the people of Winnipeg in our effort to supply them with judiciously selected merchandise, desirable and reliable in character, which we always sell a prices less than are often quoted on goods of questionable age and style.

When we think a reduction of prices necessary to move certain merchandise quickly, we take the loss cheerfully and consider the advertising gained through the low prices our profit.

We have made some of these reductions in the different departments and will continue it for two weeks only. It will be your loss if you do not avail yourself of this Golden Opportunity. Our stock is full of novelties for the holidays.
