

Too long deluded — the unhappy victim of catarrh in the head. He's been told that it can't be cured. Don't you believe it. It can be, and it is—no matter how bad or of how long standing. It has been done for thousands—by Dr. Sage's Catarrh Remedy. Other so-called remedies may palliate for a time; this cures for all time. By its mild, soothing, cleansing and healing properties, it conquers the worst cases. Its makers offer, in good faith, a reward of \$500 for a case of catarrh which they cannot cure. They are able to pay it. Are you able to take it?

The symptoms of catarrh are, headache, obstruction of nose, discharges falling into throat, sometimes profuse, watery, and acid, at others, thick, tenacious, mucous, purulent, bloody, putrid and offensive; eyes weak, ringing in ears, deafness; offensive breath; smell and taste impaired, and general debility. Only a few of these symptoms likely to be present at once. Thousands of cases terminate in Consumption and end in the grave, without ever having manifested all these symptoms. Dr. Sage's Remedy cures the worst cases. 50 cents, by druggists.
