

Owing to the persistent attempt of numerous cigarette manufacturers to cope in part the Brand Name of the "Richmond Straight Cut." Now in the eleventh year of their popularity, we think it alike due to the protection of the consumer and ourselves, to warn the public against base imitations and call their attention to the fact that the original Straight Cut Brand is the Richmond Straight Cut No. 1, introduced by us in 1875, and to caution the students to observe that our signature appears on every package of the Genuine Straight Cut Cigarettes.

THE CONCISE IMPERIAL DICTIONARY.

"It stands first—and by a long interval—among all the one-volume English dictionaries hitherto published."—*Academy, London, Eng.*

Messrs. J. E. Bryant & Co., 64 Bay Street, Toronto, the Canadian publishers of THE CONCISE IMPERIAL DICTIONARY, have much pleasure in announcing that copies of it may be obtained from their representative, Mr. E. A. Hardy, of University College. In accuracy and modernness of scholarship, especially in the lateness of its etymological information, and in completeness of vocabulary, as well as in cheapness of price, THE CONCISE IMPERIAL has no superior. The readers of THE VARSITY are invited to send to Messrs. Bryant & Co. for descriptive circulars.
