**AGREEMENT BETWEEN THE GOVERNMENT OF CANADA AND THE GOVERNMENT
OF THE REPUBLIC OF ITALY CONCERNING THE SALE IN ITALY OF WASTE
MATERIAL AND SCRAP BELONGING TO THE COMMAND OF THE ROYAL
CANADIAN AIR FORCE IN ITALY.**

The GOVERNMENT OF CANADA and the GOVERNMENT OF THE
REPUBLIC OF ITALY;

considering that the Government of Canada acting through the Command
of the Royal Canadian Air Force in Italy envisages the disposal of waste
material and scrap in Italy, which is the property of the Government of
Canada, and desires to dispose of such material in Italy or by export direct from
Italy;

convinced that the disposal of such material will be beneficial both to the
Italian economy and to the Command of the Royal Canadian Air Force in Italy;

noting that the Government of the Republic of Italy agrees that the
Command of the Royal Canadian Air Force in Italy may dispose of waste
material and scrap which is Canadian property;

have agreed upon the following conditions:

ARTICLE I

The Command of the Royal Canadian Air Force in Italy is free to sell to
persons, firms or other non-Government organizations authorized to do business
in Italy, waste material and scrap, including ferrous and non-ferrous scrap, no
longer utilizable by said Command and on supply thereto, for a total aggregate
sales value not exceeding 100,000 U.S. dollars during the first year and not
exceeding 50,000 U.S. dollars during each subsequent calendar year.

These amounts, exclusive of possible sales to Italian Government organ-
izations, may be increased by mutual agreement in order to meet requirements
in any given year.

ARTICLE II

The Command of the Royal Canadian Air Force in Italy shall notify the
Italian Government of the quality, quantity, value, location and place of sale
of the waste material and scrap which it intends to dispose of.

ARTICLE III

If so requested, the Italian Air Force shall act as representative of the
Command of the Royal Canadian Air Force in Italy for the sale of waste material
and scrap belonging to said Command. Such sales shall be effected in accord-
ance with the principles normally adopted for the sale of property belonging
to the Italian Government and following a procedure to be jointly agreed upon
by the Italian Air Force and the Command of the Royal Canadian Air Force
in Italy.

ARTICLE IV

For the importation of this material into Italy, the Italian Government
shall grant all technical and administrative facilities compatible with existing
Italian law.
