

ARTICLE 25

Mutual Agreement Procedure

1. Where a resident of a Contracting State considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with this Convention, he may, without prejudice to the remedies provided by the national laws of those States, address to the competent authority of the Contracting State of which he is a resident an application in writing stating the grounds for claiming the revision of such taxation. To be admissible, the said application must be submitted within two years from the first notification of the action which gives rise to taxation not in accordance with the Convention.

2. The competent authority referred to in paragraph (1) shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation not in accordance with the Convention.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Convention. In particular, the competent authorities of the Contracting States may consult together to endeavour to agree:

- (a) to the same attribution of profits to a resident of a Contracting State and its permanent establishment situated in the other Contracting State;
- (b) to the same allocation of income between a resident of a Contracting State and any associated person provided for in Article 9.

ARTICLE 26

Exchange of Information

1. The competent authorities of the Contracting States shall exchange such information as is necessary for the carrying out of this Convention or of the domestic laws of the Contracting States concerning taxes covered by this Convention. Any information so exchanged shall be treated as secret and shall not be disclosed to any persons or authorities other than those concerned with the assessment or collection of the taxes which are the subject of this Convention.

2. In no case shall the provisions of paragraph (1) be construed so as to impose on one of the Contracting States the obligation:

- (a) to carry out administrative measures at variance with the laws or the administrative practice of that or of the other Contracting State;
- (b) to supply particulars which are not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (order public).
