

12. Tele employment, if approved, will be subject to the concurrence of the Department of Northern Affairs and National Resources.

(b) All contact with Eskimos, other than those whose employment on any aspect of the project is approved, is to be avoided except in cases of emergency. If, in the opinion of the Department of Northern Affairs and National Resources, more specific provision in this connection is necessary in any particular area, the Department may, after consultation with the United States, prescribe geographical limits surrounding a station beyond which personnel associated with the project, other than those locally engaged, may not go or may prohibit the entry of such personnel into any defined area.

(c) Persons other than those locally engaged shall not be given leave or facilities for travel in the Canadian Arctic (other than in the course of their duties in operation of the project) without the approval of the Department of Northern Affairs and National Resources, or the Royal Canadian Mounted Police acting on its behalf.

(d) There shall be no local disposal in the north of supplies or materials of any kind except with the concurrence of the Department of Northern Affairs and National Resources, or the Royal Canadian Mounted Police acting on its behalf.

(e) Local disposal of waste shall be carried out in a manner acceptable to the Department of Northern Affairs and National Resources, or the Royal Canadian Police acting on its behalf.

(f) In the event that any facilities required for the system have to encroach on or disturb past or present Eskimo settlements, burial places, hunting grounds, etc., the United States shall be responsible for the removal of the settlement, burial ground, etc., to a location acceptable to the Department of Northern Affairs and National Resources.

(g) If in the opinion of the Department of Northern Affairs and National Resources the condition of buildings, equipment or other material which are no longer to be used for the Project may have an injurious effect upon the Eskimos, the two Governments will consult with a view to working out mutually satisfactory arrangements for razing any such buildings, removing or otherwise disposing of any such equipment, and restoring the site to a reasonable condition, bearing in mind the authorized uses to which the site has been put.

15. Canadian Immigration and Customs Regulations

(a) Except as otherwise agreed, the direct entry of United States personnel from outside Canada shall be in accordance with Canadian customs and immigration procedures which shall be administered by local Canadian officials designated by Canada.

(b) Canada shall take the necessary steps to facilitate the admission into the territory of Canada of such United States citizens as may be employed by United States contractors on the establishment, maintenance or operations of BMEWS, it being understood that the United States shall undertake to repatriate, without expense to Canada, any such persons if such contractors fail to do so.
