

(iv) AGREEMENT ON TELEVISION RELATIONS AS AMENDED.

(A) Paragraph (e) of Article II shall be modified by adding the underlined sentence below in the location indicated:

"However, should the program so require, the participation of performers other than those provided for in paragraph (d) may be permitted in exceptional cases, subject to agreement between the competent authorities of both Parties. Such participation shall be limited to one leading role."

(B) (Article X of the French text shall be modified in a way which does not require any corresponding change in the English text.)

(C) Article XIII shall be modified by adding the words underlined below in the location indicated:

"Programs co-produced and qualified under the present Agreement are considered national productions by and in each country and by right fully entitled to the benefits resulting from the provisions concerning the audiovisual industry which are in force or from those which may be decreed by and in each country".
