Note No. JLAB-0193

The Department of Foreign Affairs and International Trade presents its compliments to the Embassy of the United States and has the honour to acknowledge receipt of the Embassy's Note No. 193 dated June 19, 1996 outlining a proposal concerning the Torso Rotation Experiment to take place during the upcoming LMS Space Shuttle Mission.

The Department of Foreign Affairs has the honour to inform the Embassy that the proposal contained in its Note is acceptable to the Government of Canada, and further, to confirm that the Embassy's Note, and this reply, done in duplicate in English and French, each version being equally authentic, shall constitute an Agreement between our two Governments on this matter which shall enter into force on this date.
