Mr. Speaker, I know that you and all hon. members of this house congratulate Mr. Hull, who is a resident of Sophiasburgh township in Prince Edward County and a constituent of mine in Prince Edward-Lennox, and we join with Mrs. Hull and their family in recognition of this great occasion.

**Mr. Speaker:** Order, please. Does the hon. member propose to introduce a motion?

**Some hon. Members:** Oh, oh.

**Mr. Speaker:** I suggest to the hon. member that his question of privilege has been noted by the house and we all appreciate the interest that he takes in this matter.

**Some hon. Members:** Hear, hear.

**Mr. Speaker:** Order, please. Now that we have reverted to motions we might hear from the Minister of Citizenship and Immigration (Mr. Marchand).

## IMMIGRATION

## REPORT ON CHANGES IN ACT AND REGULATIONS

**Hon. Jean Marchand (Minister of Citizenship and Immigration):** Mr. Speaker, I should like to table two copies, one in English and one in French, of the second report of Mr. Joseph Sedgwick on immigration. This report deals particularly with appeal courts, ministerial discretion and with a few other subjects of general interest concerning immigration.

This report had been requested by the Prime Minister last year, I believe, and has just been published.

[English]

**Mr. Speaker:** Does the hon. minister have the leave of the house to table the said document?

**Some hon. Members:** Agreed.

In a number of cases the amounts of pensions paid by Canadian National Railways do not represent the total pensions payable to employees for railway service. Pensions payable by the C.N.R. to international employees (service in both Canada and the United States) relate to their service in Canada only. Such employees also receive annuities payable under the U.S. Railroad Retirement Act or the Social Security Act for service performed in the United States. For example, in the group receiving pensions of under \$25 from the C.N.R., there are sixty-eight former international employees who also receive U.S. Railroad Retirement or Social Security annuities in respect of C.N.R. service rendered in the United States. The balance of this group consists of employees who elected early retirement (before age 65) with reduced basic (\$25) pensions, and employees who had very short service and small contributions.
