

*Bills in Speech from the Throne**[English]*

**Mr. Stanley Knowles (Winnipeg North Centre):** Mr. Speaker, may I just say a word on this motion. In view of the fact that Your Honour has just reported to the House that you have a copy of the Speech from the Throne, and as I believe this matter has been raised in previous sessions, I should like to make the request that once we come back from the other place and Your Honour has received a copy of the Speech from the Throne a copy should be on the desk of each member.

**Some hon. Members:** Hear, hear!

**Mr. Knowles (Winnipeg North Centre):** I think it is unfair for us to have to wait to see it in today's *Hansard*, which we shall not get until tomorrow.

**An hon. Member:** It isn't worth it.

**Mr. Knowles (Winnipeg North Centre):** Someone says, "It isn't worth it", but that is not the point. I suggest that copies be made available to all of us before we meet this afternoon and that at the opening of future sessions a copy be placed on each member's desk so that it will be available when we return from the Senate chamber.

**Some hon. Members:** Hear, hear!

**Mr. Speaker:** The suggestion made by the hon. member for Winnipeg North Centre is obviously an excellent one which appears to have the support of all members of the House. I am sure that arrangements can be made, with the excellent facilities of the House of Commons, to have copies of the Speech available for the benefit of all hon. members before two o'clock this afternoon. Is it the pleasure of the House to adopt the said motion?

**Some hon. Members:** Agreed.

Motion agreed to.
