**Mr. Speaker:** I declare the motion lost.

**Mr. Gray (Windsor West):** Mr. Speaker, I rise on a point of order. I propose, with the consent of the House, that the vote we have just taken be applied to the remaining motions, provided that the names of those voting and the way they vote will be separately recorded for each motion.

**Mr. Speaker:** The House has heard the suggestion. Is there agreement?

**Some Hon. Members:** Agreed.

**Mr. Prud'homme:** Mr. Speaker, I rise on a point of order. I think that that is a very good suggestion, with the exception that perhaps some Members who did not vote may like to have their names added or subtracted to the lists.

**Mr. Speaker:** The House has heard the suggestion. I take it that there is agreement?

**Some Hon. Members:** Agreed.

**Mr. Speaker:** I therefore declare the motion—

**Mr. Corbett:** Mr. Speaker, I rise on a point of order. There are several of these motions with respect to which I have varying opinions. I would not give my concurrence to the vote being recorded just as the previous one has been taken.
