

(d) Bonuses as determined from time to time shall be paid to teachers who take the full course, provided they are engaged to teach in schools receiving grants from the Protestant Committee, during the year following their attendance;

(e) Teachers who successfully complete their course, and are recommended by the Director of the School, shall receive from the Central Board of Examiners either a first class Specialist's Certificate, or a second class Specialist's Certificate;

(f) The first class certificate is permanent. The second class certificate is valid for two years, and may be replaced by a first class certificate after further attendance satisfactory to the Director of the School, or upon the report of the Supervisor of French teaching to the effect that the deficiencies because of which the first class certificate was withheld have been overcome;

(g) A certificate may be awarded on a successful examination in methods, without full attendance at the School, in the case of a person whose mother tongue is French, who possesses an intermediate diploma valid for the Protestant schools of this Province, and who presents to the Director of the Summer School satisfactory evidence of efficiency in teaching French and in class management.
