

PHOENIX
FOUNDRY.

PHOENIX
Plow Works.

John Elliott & Son,

Manufacturers of

Agricultural Implements,

LONDON, Ontario, and WINNIPEG, Manitoba.

We are the only dealers who make all Goods sold by us, so that parties purchasing our Goods will have no difficulty in getting needed repairs.

We have added the Phoenix Plow Works to our Shops, and are now turning out Plows superior to any in the country, whether American or Canadian make. Our long experience in manufacturing for this trade enables us to offer a line of Machines not equalled for finish, or materials, or pattern. We supply everything in the way of Machinery needed by Farmers. Fair Dealing and good Machines our motto
